A COLLECT FOR CLUB WOMEN

•

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

—Mary Stewart.

PLEDGE TO THE FLAG

"I pledge allegiance to the Flag of the
United States of America and to the Republic
for which it stands, one Nation under God,
indivisible, with Liberty and Justice for all."

●

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

The Diamond Jubilee
— Waltz —

It was a quaint little village
back in the sweet long ago.
Now it's a beautiful city.
When you see it you know
It's a home town that grew
and improved mile by mile,
A place where progress and beauty
are always in style.

Like a diamond shining in the sun
for all the world to see,
The city shines in the light
of a grand Jubilee ---
Seventy-five years young,
and growing lovelier each day!
So we are telling the world
it's Palo Alto's Birthday!

Lyrics and Music by Marguerite Williams Fenney

CLUB'S DIAMOND JUBILEE CELEBRATION

Guide Through Darkness

Now hesitant at levels high, then low,
She carves a thoroughfare through web of sound,
That he may know a solidness to ground,
That unsure feet may confidently go.
Where voice and clamour merge, her four paws prove
Her mind alert -- turn left -- turn to the right..
She feels the harness tug, her dark eyes bright,
And listens for new words to guide each move.

She gave dimension to his darkened world --
Gave calendar to days that had been drear
With hopelessness; erased old ache of fear
When fur to feel of fingers softly curled.
He walks blind pathways where no image died --
Two walk as one, with dignity, with pride.

HISTORY OF THE WOMAN'S CLUB OF PALO ALTO

Mrs. A. W. Baily, Jr., President

1968-1969

Mrs. Clark Godel, Historian

This year the Woman's Club of Palo Alto celebrated its 75th Anniversary. ("Country Store Fair" open to public and a "Box Social Dinner" in the evening for members and guests) The City of Palo Alto had its Diamond Jubilee. Three memvers of the Club were on the committee for the city-wide festivities. Voices of many old timers, speaking of the past were taped; among them one of our members, daughter of one of the earliest Spanish pioneers. At one of the special programs honoring our City, this tape was featured, and enjoyed.

The Woman's Club, guided by President, Mrs. A. W. Baily, Jr. had many and varied accomplishments benefitting the youth, as well as the Senior Citizens of the area.

ART: Weekly art lessons by a qualified teacher, in our clubhouse. Over 50 paintings were exhibited and judged by professionals. Winners were sent on to the District Convention. Much new talent was discovered. A display of art work in various media, done by patients at Palo Alto Veterans Hospital was on display at our special Veterans Day, also some of the club artists' work was shown at the Veterans Hospital.

CRAFTS: Members made and gave layettes for the gift shop at Stanford Hospital; bibs of terry cloth for elderly patients at Palo Alto Convalescent Hospital; afghans and other items for both Veterans and the Convalescent Hospital. Crafts were taught to patients at a local rest home, bolstering morale and strength in arthritic hands.

CALIFORNIA HISTORY AND LANDMARKS & CULTURAL HERITAGE: CFWC State Chairman was our guest at one special meeting. Book reviews on the early history of California, and Governors of California were given. Tours taken to: Japanese Cultural Ce ter in San Francisco; The Presidio of San Francisco; Golden Gate Park.

The Woman's Club maintains membership in Palo Alto Historical Society.

CONSERVATION: The Club contributes to Pennies for Pines. Scholarships are given to students, and assistance to elderly. A guided tour of Point Lobos State Park, which is a refuge for native birds, animals, plants and trees, followed by a walk thru the Garden of the Bible at the Carmel Church of the Wayfarer. Measures on the ballot pertaining to saving our Bay and other conservation subjects are brought to our attention for study.

GARDENS AND BEAUTIFICATION: All decorations for meetings and special events are made with flowers and greenery from members' gardens then later taken to hospitals or convalescent homes. Plant exchanges held during the year. Pictures of Alaska, showing parks and gardens there with narration by our President who has lived there.

GERONTOLOGY: The Woman's Club, in cooperation with downtown churches and some businesses helped to pioneer the Palo Alto Senior Adult Guild's Drop-In Center; two members are on the Board and many members served as hostesses, take home=made goodies, magazines, books, games. This is a place where the elderly may wait for the bus; visit the rest room; stop for a chat and have a cup of tea or spend a while putting together puzzles.

Our Club member is Tour Director for a Senior Adult Group to which our section members belong.

A distinguished Poettess member uses Poetry as Therapy for disturbed children and adults of all ages, and reports ergularly to the club. Another member is coordinator for 40 groups of Senior Citizens and was active in formation of a Chinese Community Center in Palo Alto. She helped to plan our open house for Senior Citizens at the Clubhouse.

Members serving as volunteers in Palo Alto Convalescent Hospital, do shopping for patients who cannot get out, take the ones who are able, for rides, push patients in their

wheel chairs to the Doctor's offices nearby, etc.

CHILDREN AND YOUTH: Scholarships given each year include an Indian Scholarship. Club programs have featured young people:

A children's acrobatic group, their leader a club member
An 11-year-old violinist, accompanied at piano by her mother
A 15-year-old boy, a pianist prodigy
A young girl Harpist
A young Russian girl sang folk songs in her native language, accompanying herself on her guitar. She interpreted the songs for us.
Palo Alto Military School Band and Color Guard at our Veterans Day Program.

HEALTH AND WELFARE: Two seminers on Drug Abuse and its control held at the clubhouse were attended by City and County officials and the public. Volunteers at both divisions of Palo Alto Veterans Hospital, at Stanford Hospital and at several Convalescent Hospitals.

At one Club meeting, a Doctor who has practiced medicine here for 50 years, told us about the Childrens Health Council, which she began, also about her recent official visit to the White House.

Members assist the Blind of the area; and members addressed envelopes for the annual Cancer Society appeal for funds.

HOME MANAGEMENT, FINANCE, CONSUMER EDUCATION: We have an active Gourmet section; dishes prepared and sampled at the section meetings. Hints given on food shopping. Elderly widows driven to grocery and assisted with buying. Two club members appointed to represent us at City Council and Planning.

RELIGION: Meetings open with a Prayer or the Club Collect, followed by Renewal of our Pledge os Allegiance to our Flag and an appropriate song by all. One member, a world traveller, photographer and linguist, shares her pictures with our club, and with other groups including Senior Citizens. She meets and talks with the people in each country and has interesting commentaries.

PROGRAMS: A talk on the history of crosses, with an exhibit of many of the crosses collected on world-wide journeys. A program on bells and their story, with an exhibit. All the volunteer and community work are in other parts of this report.

PUBLIC AFFAIRS: Members of the club serve as leaders in 4H, Girl Scouts; Campfire Girls, Cub Scouts; and PTA. Three members serve as Librarian, buyer of books, and assistant, at a local large retirement home. The drug seminars were open to school children and everyone. A report was given at a club meeting by our representative to a special meeting of the Friendly Visitors, with special advice for visiting the elderly.

MENTAL HEALTH: Dann Services, Inc. at Palo Alto Veterans Hospital is one of the club's main projects. This is a group of mental patients who have recovered, and members of the Hospital staff, cooperating to find employment for the men who are ready to re-enter the normal course of living. Special Christmas Boutique and Treasure Trove bazaars held at the club house were held to benefit this project. Members have been on special tours of the workshops at the Hospital where the men have small businesses; and to the half-way homes where some of them live.

Our volunteers also help staff The Haven at the Menlo Park Division, and $10.00 monthly is given toward refreshments for the men.

MOTION PICTURE, RADIO AND TELEVISION: The club sponsors the Crusade for Morality. Groups have attended the films: Oliver; Star; Gone with the Wind. Spot announcements for Drug Addicts' call for help, were arranged.

MUSIC: At each meeting, an appropriate song by the members congregated. West Bay Opera presented us with a full dress program. A special song was written by our Music Chairman for the Palo Alto Diamond Jubilee. Her "Song og Pa o Alto" is our club song, and was featured at our 75th Birthday Party.

RESPONSIBLE CITIZENSHIP: Special programs for Constitution Day; Flag Day; Veterans Day. Members serve on Jury when called. Also on Elections. Our clubhouse is kept in good repair and grounds maintained.

STATUS OF WOMEN: Members serving in official and volunteer capacities for City, County and State. Our activities well known and well respected by community.

A COLLECT FOR CLUB WOMEN

•

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

PLEDGE TO THE FLAG

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

●

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

PRESIDENTS MESSAGE

We will be celebrating the 75th Anniversary of the Woman's Club of Palo Alto in 1969. Our Club, in celebrating its "DIAMOND JUBILEE", feels a deep sense of appreciation, honor and love for our founders. This Anniversary is possible because of our members heartfelt efforts, loyalty and diligent work.

As we look forward with faith and courage to the next celebration, let us carry on in their footsteps with "Individual and Creative Involvement" in every aspect of our Club.

Together we can keep the Woman's Club of Palo Alto as durable and gleaming as "SILVER" and our activities and friendships as fine and beautiful as a "ROSE".

MRS. A. W. (HAZELLE) BAILY, JR.

PEACE CORPS

Their young minds know there could be better days
If they and others work with hands and heart
To create usefulness out of decays --
Create new living levels, worlds apart
From sickness, squalor, and tired hoplessness
That knows starvation wrought by ignorance.
Their spirts spur them that they must express
Concern for strangers scarred by circumstance.

These are the young who hear the sound of bell
Instead of gun; the young who smile and reach
Out to the hungry: whose warm voices tell
Their dedication, that they share and teach
New wonders of old knowledge till eyes wear
Hope like a flame. These are the young who care.

SONG OF PALO ALTO

VERSE -
A landmark grand to see is a giant
redwood tree
Beside an entrance to the city that
I love.
No matter where I roam, it's there
when I come home,
With arms held out in welcome high
above.

CHORUS -
"O Palo Alto!" The western winds are softly
sighing,
"You're blest by all the best of California
sun and rain!"
From hills and valleys, from lawns and gardens
to the bayshore,
All nature seems to sing, and I can hear the
sweet refrain! --
Like a chant from long ago where Indians roamed
below;
A tune of Spanish pioneers around the bend;
A song of the winding trail that changed to road
and rail;
And a glad finale, just to mark my journey's
end!
"O Palo Alto!" Out on the harbor at the
bayside
The echo sweetly sounds with every wave that
ripples to the shore;
And with the echo I hear the pounding of my
heart-beat,
Part of the Song of Palo Alto! What other place
on earth could I love more?

IN MEMORIAM

The soul goes forth in beauties new,
And blooms as a rose beyond the veil,
Through light of broadening views.
The rose still grows on the other side
And spreads its fragrance far and wide.

A COLLECT FOR CLUB WOMEN

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

PLEDGE TO THE FLAG

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

●

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

PRESIDENT'S MESSAGE

The Golden cover of our yearbook and the Emerald Green ink signify the colorful past and the bright future of the Woman's Club of Palo Alto.

To honor our Founder's and Past Presidents, the Executive Board and membership Committee ask that we designate 1967-68 as Membership Drive Year.

Let our motto this year be --
"Each One - Bring One".

DOROTHY ARBUCKLE

ACROSS THE SKY

O let this be again:
Star-flight of birds in sky,
and no torn sound;
Only warm smoke from chimney rounds
rising in blue,
with child and father laughter tunes,
coin-new.

O let this be again:
(no sound, steel-rocketed; no naked cry)
only star-flight of birds
across this prayer of sky.

SONG OF PALO ALTO

A landmark grand to see is a giant redwood tree
Beside an entrance to the city that I love.
No matter where I roam, it's there when I come
home,
With arms held out in welcome high above.

"O Palo Alto!" the western wind is softly
sighing,
"You're blest by all the best of California
sun and rain!"
From hills and valleys, from lawns and gardens
to the bayshore,
All nature seems to sing and I can hear the
sweet refrain! --
Like a chant from long ago where Indians
roamed below;
A tune of Spanish pioneers around the bend;
A song of the winding trail that turned to
road and rail;
And a glad finale, just to mark my journey's
end!

"O Palo Alto!" Out on the harbor at the
bayside
The echo sweetly sounds with every wave
that ripples to the shore;
And with the echo I hear the pounding of
my heart-beat,
Part of the Song of Palo Alto! What other
place on earth could I love more?

WOMAN'S CLUB OF PALO ALTO

1966-67

Following our General Federation theme, we chose to "Build with youth for a better world today". We have reached out into the community to accomplish our goals.

Holt Memorial Orphanage in Korea benefitted to the extent of $1,000.00 in drugs, toys, food and clothing.

We honored National Penwomen, prize winning high school poets and parents at our Music-Literary Section.

The "Old Masters" came alive to Palo Alto Junior and Senior High School pupils who enjoyed our Art Appreciation Lectures. We exhibted over 100 pieces of art work for the pleasure of the public.

In memory of one of our members, we plan to finish filling 100 health kits for children treated by Ship Hope doctors.

April 22, at the Club, the Mayor will present awards to High School essay winners of Palo Alto and Menlo Park who realize the importance of respect for law and order. Two hundred Boy Scouts and Girl Scouts will eat hot dogs, drink milk, and be entertained by the Police Department. They will watch police dog drills, ride in a police car, be fingerprinted, and in return will present a Certificate of Merit to the Police for their outstanding work with youth. This project will continue as a community service.

Achievement will be rewarded and need will be met by checks for two nurse's scholarships and one high school scholarship.

The year 1966-67 will always be remembered by the Executive Board as "The Year of the Tax", as we have been wrestling with our unresolved tax question, "Do we or don't we qualify for exemption?" We have become experts as we hired a tax attorney, had conversation with a consultant, and communed with the Internal Revenue Department. We have been notified we do not qualify for property tax exemption on four counts, only one of which involves changing our Articles of Incorporation. Mrs. Pearce, General Federation President, was receptive to a suggestion made in which the Federation would prepare an article on various tax problems as a service to all clubs.

We recognized our responsibilities to the man who has served his country by accepting work with veterans as our project. We shall enlarge upon our efforts another year.

We have two representatives at the City Council and Planning Commission meetings. To accomplish our goals, we entered into the activities of our city, and in the process, have made our Club and our members an integral part of the Community.

The year has been rewarding, enjoyable, busy. Many friendships have been made and enriched. The Woman's Club of Palo Alto is proud to contribute our efforts along with eleven million Federated Women to "Build with youth for a better world tomorrow".

PRESIDENT'S MESSAGE:

This yearbook is lovingly dedicated in grateful appreciation to all members of the Woman's Club of Palo Alto. A heartfelt thank you to those who will serve as Board members, Chairmen and Committee members for 1966-67, and especially to the Committee which gave so generously of their time to bring this yearbook to fruition.

May I offer this prayer in response:

Almighty God, deliver us from all that keeps us from serving Thee and our fellowmen as we should. Help us to love generously. Advise us, Father, in the decisions we must make, the problems we must solve. Help us to do unto others as we would have done unto us.

Give me the strength and knowledge, dear Lord, to equal the trust and confidence placed in me. Amen.

Dorothy Arbuckle

SESTINA FOR THE UNITED NATIONS

By: Gertrude May Lutz

Dedicated to—Mrs. Charles C. Fisher, Mrs. R. H. Turner, and Mrs. Harold Kay (deceased) for their work in our International Relations Section.

Now they assemble there to strive for peace
That will abolish any other war
Upon this bomb and missile frightened world.
In every man's mind is a splintered globe.
The speech he writes, the context of his words
May chart the future of his fellow men.

These delegates are only mortal men;
Too seldom have man-treaties made for peace.
Stronger than armaments, the power of words;
Stronger than secret implements of war,
Loud gutterals have sounded all the globe
And every road is shrunken on the world.

But they remember when a man's small world
Was held secure by other simple men;
When on his plot of land, man knew his globe
Was large as home, and near as years of peace;
When sky and work-earned earth was far from war,
And faith was in his heart and in his words.

No more land-bound, they hear now babel-words —
A tortured, starved, a wounded wailing world.
Man is his brother's keeper, born of war
And nevermore can live apart from men;
Man is a small important part of peace,
And he is citizen of all the globe.

These, the custodians, behold the globe,
And hear in different tongues the self-same words —
A crying out for promises of peace
To them, to peoples yet unborn — a world
That builds earth solid under feet of men;
That holds no unsure place, no scars of war.

There scarcely has been time without a war —
These years have been the worst, the ravished globe
Sprawled pitiless with bodies of its men;
And woman's lips that have no need of words
Are shaped to hold a sorrow round the world;
Their children have no memory of peace.

God, write the peace! We've had enough of war!
O weld one world of this uncertain globe.
Give these men words to be sung by all men.

A COLLECT FOR CLUB WOMEN

•

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

—Mary Stewart.

THE CABLE CARS OF SAN FRANCISCO

IN SAN FRANCISCO, city of thrills for resident and visitor alike, no adventure can be more thrilling, more romantic, more informative, than a ride on one of its several cable car lines.

These little cable cars, really jaunting-cars with their side-wise seats, some enclosed and some open-air, are a unique attraction. San Francisco, first city to introduce them to the world, still operates many miles of cable lines for the use and pleasure of some 18,000,000 passengers a year. Thousands of visitors who come to the City by the Golden Gate invariably exclaim: *"Oh, I had a ride on the cable car today!"*

The cable cars, with their jangling bells, often converted into the semblance of a tune, are more than a utility, more than a means of climbing up and down the storied hills of the city. They are a tradition of the olden, golden years . . . *a beloved carry-over of yesterday,* linking the present with the now distant past of clipper ships and of the millionaires of the Comstock Lode and the railroads.

Ulysses S. Grant was president when the first successful test of the grip car was made. *The place:* Clay Street Hill. *The date:* August 1, 1873. The mechanical wizard who achieved this success and followed it through was Andrew Smith Hallidie, a Scotchman, born in London. As told by Edgar M. Kahn in his *"Cable Car Days of San Francisco,"* the story of how Andrew S. Hallidie adapted wire rope first used in mine tramways to cable for practical street railway transportation is a veritable romance of invention and vision.

The next great personality to enter the cable car picture was Leland Stanford, railroad financier and founder of the university that bears the name of his son. To him must be given the credit for the California Street Cable Railroad undertaking. This line traverses the present financial district and ascends Nob Hill where Stanford, Hopkins, Huntington, Crocker and other railroad men built their mansions.

On the way, the line passes old St. Mary's Church at the gateway to Chinatown. From the earliest days the Chinese have been faithful patrons of the cable cars. *"No pullee, no pushee, allee samee go,"* was the way the older Chinamen described them when the *"hay-burners"* became obsolete.

Intimately connected with the cable cars are many features, including the antiquated turn-table at the Market Street terminus of the Powell Street line, the sharp turns, when the gripman shouts: *"Look out for the curve!"*, and the car barns where the miles of endless cable wind and unwind on giant drums.

★

By riding the cable cars, which glide along in a leisurely way, one gains matchless impressions of the color, life, beauty and historic flavor of the city. Then, from the hill tops, are views of towering buildings, and sweeping vistas of San Francisco Bay and the two great bridges, with the Marin and East Bay hills forming a magnificent backdrop. The night ride, when the city is revealed in all its sparkling glory, *is spectacular.*

PLEDGE TO THE FLAG

"I pledge allegiance to the Flag of the
United States of America and to the Republic
for which it stands, one Nation under God,
indivisible, with Liberty and Justice for all."

●

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

A SONG OF PALO ALTO*

I

A giant redwood tree is known in history
And in the legends of the city that I love.
Tho very proudly tall, it's like a friend to all,
With arms held out in welcome high above.

"O Palo Alto!" the western wind is softly sighing,
"You're blest by all the best of California sun and rain!"
From hills and valleys, from lawns and gardens to the
bayshore,
All nature seems to sing and I can hear the sweet refrain! —

Like a chant from long ago where Indians roamed below;
A tune of Spanish pioneers around the bend;
A song of the winding trail that turned to road and rail;
And a glad finale, just to mark my journey's end!

"O Palo Alto!" Out on the harbor at the bayside
The echo sweetly sounds with ev'ry wave that-ripples to
the shore;
And with the echo I hear the pounding of my heart-beat,
Part of the Song of Palo Alto! What other place on earth
could I love more?

II

A landmark grand to see is a giant redwood tree
Beside an entrance to the city that I love.
No matter where I roam, it's there when I come home,
With arms held out in welcome high above.

"O Palo Alto!" the evening breeze is softly sighing
While the golden sun sinks low, beyond the redwood's
purple shade.
From hills and valleys, from lawns and gardens to the
bayshore,
All nature seems to sing a Palo Alto Serenade!

Like a chant from long ago where Indians roamed below;
A tune of Spanish pioneers around the bend;
A song of the winding trail that turned to road and rail;
And a glad finale, just to mark my journey's end!

"O Palo Alto!" Out on the harbor at the bayside
The echo sweetly sounds with ev'ry wave that ripples to
the shore;
And with the echo I hear the pounding of my heart-beat,
Part of the song of Palo Alto! What other place on earth
could I love more?

CALIFORNIA MISSION BELLS

Old Mission Bells of California
You've chimed in hist'ry's Hall of Fame!
Along the road called El Camino
Once again your song proclaim!
Ring boldly telling of Portola
On the road blazed for a king;
Then tell the noble deeds of Padre Serra;
O'er his pathway proudly ring!
Chime over ev'ry mission chapel;
Let the past and present meet;
Bring thots of ageless faith and courage
With your chimes so clear and sweet.
From mission schools to thriving ranches
Blend happy sounds of work and play;
Ring for the settlers and the Indians;
Ring for progress day by day.
Out in a sunny mission courtyard
Ring your festive chimes again
Above the music of an ancient fountain
Near a stone for grinding grain.
Ring while we pause for meditation
In a garden filled with flow'rs,
A perfect place for contemplation
On a heritage that is ours.
The mission bells are chiming softly,
For all the pioneering's done;
But thru the years the chimes will echo
Neath a golden western sun.
The mission bells of California
From the border, past the bay,
Forever tell the brave and lovely story
Of the Mission Trail along Camino Way!

•

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

THE CABLE CARS OF SAN FRANCISCO

IN SAN FRANCISCO, city of thrills for resident and visitor alike, no adventure can be more thrilling, more romantic, more informative, than a ride on one of its several cable car lines.

These little cable cars, really jaunting-cars with their side-wise seats, some enclosed and some open-air, are a unique attraction. San Francisco, first city to introduce them to the world, still operates many miles of cable lines for the use and pleasure of some 18,000,000 passengers a year. Thousands of visitors who come to the City by the Golden Gate invariably exclaim: *"Oh, I had a ride on the cable car today!"*

The cable cars, with their jangling bells, often converted into the semblance of a tune, are more than a utility, more than a means of climbing up and down the storied hills of the city. They are a tradition of the olden, golden years . . . *a beloved carry-over of yesterday,* linking the present with the now distant past of clipper ships and of the millionaires of the Comstock Lode and the railroads.

Ulysses S. Grant was president when the first successful test of the grip car was made. *The place:* Clay Street Hill. *The date:* August 1, 1873. The mechanical wizard who achieved this success and followed it through was Andrew Smith Hallidie, a Scotchman, born in London. As told by Edgar M. Kahn in his *"Cable Car Days of San Francisco,"* the story of how Andrew S. Hallidie adapted wire rope first used in mine tramways to cable for practical street railway transportation is a veritable romance of invention and vision.

The next great personality to enter the cable car picture was Leland Stanford, railroad financier and founder of the university that bears the name of his son. To him must be given the credit for the California Street Cable Railroad undertaking. This line traverses the present financial district and ascends Nob Hill where Stanford, Hopkins, Huntington, Crocker and other railroad men built their mansions.

On the way, the line passes old St. Mary's Church at the gateway to Chinatown. From the earliest days the Chinese have been faithful patrons of the cable cars. *"No pullee, no pushee, allee samee go,"* was the way the older Chinamen described them when the *"hay-burners"* became obsolete.

Intimately connected with the cable cars are many features, including the antiquated turn-table at the Market Street terminus of the Powell Street line, the sharp turns, when the gripman shouts: *"Look out for the curve!"*, and the car barns where the miles of endless cable wind and unwind on giant drums.

★

By riding the cable cars, which glide along in a leisurely way, one gains matchless impressions of the color, life, beauty and historic flavor of the city. Then, from the hill tops, are views of towering buildings, and sweeping vistas of San Francisco Bay and the two great bridges, with the Marin and East Bay hills forming a magnificent backdrop. The night ride, when the city is revealed in all its sparkling glory, *is spectacular.*

THE CABLE CARS OF SAN FRANCISCO

IN SAN FRANCISCO, city of thrills for resident and visitor alike, no adventure can be more thrilling, more romantic, more informative, than a ride on one of its several cable car lines.

These little cable cars, really jaunting-cars with their side-wise seats, some enclosed and some open-air, are a unique attraction. San Francisco, first city to introduce them to the world, still operates many miles of cable lines for the use and pleasure of some 18,000,000 passengers a year. Thousands of visitors who come to the City by the Golden Gate invariably exclaim: *"Oh, I had a ride on the cable car today!"*

The cable cars, with their jangling bells, often converted into the semblance of a tune, are more than a utility, more than a means of climbing up and down the storied hills of the city. They are a tradition of the olden, golden years . . . *a beloved carry-over of yesterday,* linking the present with the now distant past of clipper ships and of the millionaires of the Comstock Lode and the railroads.

Ulysses S. Grant was president when the first successful test of the grip car was made. *The place:* Clay Street Hill. *The date:* August 1, 1873. The mechanical wizard who achieved this success and followed it through was Andrew Smith Hallidie, a Scotchman, born in London. As told by Edgar M. Kahn in his *"Cable Car Days of San Francisco,"* the story of how Andrew S. Hallidie adapted wire rope first used in mine tramways to cable for practical street railway transportation is a veritable romance of invention and vision.

The next great personality to enter the cable car picture was Leland Stanford, railroad financier and founder of the university that bears the name of his son. To him must be given the credit for the California Street Cable Railroad undertaking. This line traverses the present financial district and ascends Nob Hill where Stanford, Hopkins, Huntington, Crocker and other railroad men built their mansions.

On the way, the line passes old St. Mary's Church at the gateway to Chinatown. From the earliest days the Chinese have been faithful patrons of the cable cars. *"No pullee, no pushee, allee samee go,"* was the way the older Chinamen described them when the *"hayburners"* became obsolete.

Intimately connected with the cable cars are many features, including the antiquated turn-table at the Market Street terminus of the Powell Street line, the sharp turns, when the gripman shouts: *"Look out for the curve!"*, and the car barns where the miles of endless cable wind and unwind on giant drums.

★

By riding the cable cars, which glide along in a leisurely way, one gains matchless impressions of the color, life, beauty and historic flavor of the city. Then, from the hill tops, are views of towering buildings, and sweeping vistas of San Francisco Bay and the two great bridges, with the Marin and East Bay hills forming a magnificent backdrop. The night ride, when the city is revealed in all its sparkling glory, *is spectacular.*

THE CABLE CARS OF SAN FRANCISCO

IN SAN FRANCISCO, city of thrills for resident and visitor alike, no adventure can be more thrilling, more romantic, more informative, than a ride on one of its several cable car lines.

These little cable cars, really jaunting-cars with their side-wise seats, some enclosed and some open-air, are a unique attraction. San Francisco, first city to introduce them to the world, still operates many miles of cable lines for the use and pleasure of some 18,000,000 passengers a year. Thousands of visitors who come to the City by the Golden Gate invariably exclaim: *"Oh, I had a ride on the cable car today!"*

The cable cars, with their jangling bells, often converted into the semblance of a tune, are more than a utility, more than a means of climbing up and down the storied hills of the city. They are a tradition of the olden, golden years . . . *a beloved carry-over of yesterday*, linking the present with the now distant past of clipper ships and of the millionaires of the Comstock Lode and the railroads.

Ulysses S. Grant was president when the first successful test of the grip car was made. *The place:* Clay Street Hill. *The date:* August 1, 1873. The mechanical wizard who achieved this success and followed it through was Andrew Smith Hallidie, a Scotchman, born in London. As told by Edgar M. Kahn in his *"Cable Car Days of San Francisco,"* the story of how Andrew S. Hallidie adapted wire rope first used in mine tramways to cable for practical street railway transportation is a veritable romance of invention and vision.

The next great personality to enter the cable car picture was Leland Stanford, railroad financier and founder of the university that bears the name of his son. To him must be given the credit for the California Street Cable Railroad undertaking. This line traverses the present financial district and ascends Nob Hill where Stanford, Hopkins, Huntington, Crocker and other railroad men built their mansions.

On the way, the line passes old St. Mary's Church at the gateway to Chinatown. From the earliest days the Chinese have been faithful patrons of the cable cars. *"No pullee, no pushee, allee samee go,"* was the way the older Chinamen described them when the *"hay-burners"* became obsolete.

Intimately connected with the cable cars are many features, including the antiquated turn-table at the Market Street terminus of the Powell Street line, the sharp turns, when the gripman shouts: *"Look out for the curve!"*, and the car barns where the miles of endless cable wind and unwind on giant drums.

★

By riding the cable cars, which glide along in a leisurely way, one gains matchless impressions of the color, life, beauty and historic flavor of the city. Then, from the hill tops, are views of towering buildings, and sweeping vistas of San Francisco Bay and the two great bridges, with the Marin and East Bay hills forming a magnificent backdrop. The night ride, when the city is revealed in all its sparkling glory, *is spectacular.*

They are a tradition of the olden, golden years . . . *a beloved carry-over of yesterday,* linking the present with the now distant past of clipper ships and of the millionaires of the Comstock Lode and the railroads.

Ulysses S. Grant was president when the first successful test of the grip car was made. *The place:* Clay Street Hill. *The date:* August 1, 1873. The mechanical wizard who achieved this success and followed it through was Andrew Smith Hallidie, a Scotchman, born in London. As told by Edgar M. Kahn in his *"Cable Car Days of San Francisco,"* the story of how Andrew S. Hallidie adapted wire rope first used in mine tramways to cable for practical street railway transportation is a veritable romance of invention and vision.

The next great personality to enter the cable car picture was Leland Stanford, railroad financier and founder of the university that bears the name of his son. To him must be given the credit for the California Street Cable Railroad undertaking. This line traverses the present financial district and ascends Nob Hill where Stanford, Hopkins, Huntington, Crocker and other railroad men built their mansions.

On the way, the line passes old St. Mary's Church at the gateway to Chinatown. From the earliest days the Chinese have been faithful patrons of the cable cars. *"No pullee, no pushee, allee samee go,"* was the way the older Chinamen described them when the *"hay-burners"* became obsolete.

Intimately connected with the cable cars are many features, including the antiquated turn-table at the Market Street terminus of the Powell Street line, the sharp turns, when the gripman shouts: *"Look out for the curve!"*, and the car barns where the miles of endless cable wind and unwind on giant drums.

★

By riding the cable cars, which glide along in a leisurely way, one gains matchless impressions of the color, life, beauty and historic flavor of the city. Then, from the hill tops, are views of towering buildings, and sweeping vistas of San Francisco Bay and the two great bridges, with the Marin and East Bay hills forming a magnificent backdrop. The night ride, when the city is revealed in all its sparkling glory, *is spectacular.*

THE CABLE CARS OF SAN FRANCISCO

IN SAN FRANCISCO, city of thrills for resident and visitor alike, no adventure can be more thrilling, more romantic, more informative, than a ride on one of its several cable car lines.

These little cable cars, really jaunting-cars with their side-wise seats, some enclosed and some open-air, are a unique attraction. San Francisco, first city to introduce them to the world, still operates many miles of cable lines for the use and pleasure of some 18,000,000 passengers a year. Thousands of visitors who come to the City by the Golden Gate invariably exclaim: *"Oh, I had a ride on the cable car today!"*

The cable cars, with their jangling bells, often converted into the semblance of a tune, are more than a utility, more than a means of climbing up and down the storied hills of the city. They are a tradition of the olden, golden years . . . *a beloved carry-over of yesterday,* linking the present with the now distant past of clipper ships and of the millionaires of the Comstock Lode and the railroads.

Ulysses S. Grant was president when the first successful test of the grip car was made. *The place:* Clay Street Hill. *The date:* August 1, 1873. WOMAN'S CLUB OF PALO ALTO - ANNUAL REPORT 1964-1965
HOUSE & GROUNDS COMMITTEE

Madam President and Members:

As Chairman of your House & Grounds Committee I would like to present the Annual Report for the year 1964-1965.

The past year has been a very active one for your Committee. Several projects were planned and carried out, the most extensive one being the renovation of the kitchen and installing the most modern appliances and equipment. Also, the installation of a gas heating system. The completion of these two major projects within the space of a few months was due wholly to the generosity and hard work of all of the members of our Club, many of whom worked long hours in fund raising schemes, etc. A budget of $8000.00 was set up for this purpose, and when all bills were paid, the original budget was only exceeded by the sum of $2.57. The funds were spent so carefully by the Kitchen Committee that several little extras could be added to the over-all project.

In July new asphalt singles were applied to the roof, except for a small portion done a few years ago, at a cost of $868.00.

New cement steps and railing were installed at the rear entrance, in accordance with the request of our Insurance Agents, at a cost of $200.00. This greatly enhances the appearance of this area and removed a potentially dangerous drop at the edge of the steps. The unsightly trash cans were also moved to a less conspicuous spot around the corner.

Completion of the above mentioned improvements gives us all, I am sure, a feeling of accomplishment and gratification. You will note, however, that these improvements have cost slightly over $9,000.00. This is a large sum for the Club to spend in one year, and it is fortunate that we did not have to borrow the money at interest to finish the job. However, your Chairman would now like to recommend that serious thought be given to replenishing our Club Treasury, so that our enviable financial position may be maintained in the future. Also, that a long-range plan be instituted for the handling of the Club's finances so as to graduallyand systematically build up a reserve fund for future needs and emergencies. It might be well to take advantage of the services offered by our Banking institutions, and discuss our financial position with one of their Officials with regard to this planning.

Your Chairman further recommends that the Officers and Board of Directors of the Club consider the establishing of a set of House Rules covering the general operating details of the Club facilities. These rules to be for the guidance of members, employees, renters, caterers and others using the Club facilities.

As our Club is subject to the regulations outlined in the "California Health Act" and the Santa Clara County Sanitation Code, details of these should be included. Your Chairman had several discussions with the officials at the Santa Clara County Health Department. Copies of the Act have been obtained and are on file.

The Inventory for the year has been completed. Copies are available for your perusal. It is interesting to note from the inventory the amount of furnishings and equipment your Club really owns.

While the past year has been one of great accomplishment, there still remains other minor projects to be considered for the improvement of your Club. Details of these will be presented in the coming months.

We are all so fortunate in having a debt-free Clubhouse to enjoy, and we must strive to maintain it in its present good condition in the future. After all, our first obligation is to our Members in seeing that they are provided with well-kept surroundings for their enjoyment and fellowship. Our Club's participation in community service through the years is well known, and I am sure we will all be happy to continue to give of our Club's surplus funds to help worthy causes.

I wish to thank the members of the House & Grounds Committee, also the Kitchen Committee, for their help and co-operation during the year. Although being your Chairman was a bit challenging at times, it was never dull.

I should also like to add a word of thanks to our President Mary Nathanson, who with her very busy schedule, was always gratious and willing to give a helping hand.

Respectfully submitted,

Dorothy L Little

Chairman, House & Grounds Committee.

PLEDGE TO THE FLAG

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

A COLLECT FOR CLUB WOMEN

•

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

—Mary Stewart.

CLOSING SONG

May the good Lord bless and keep you
Whether near or far away.
May you find the long-awaited
Golden dreams today.
May your troubles all be small ones
And your fortune ten times ten.
May the good Lord bless and keep you
'Till we meet again.
May you walk with sunlight shining
And a bluebird in every tree
May there be a silver lining
Back of every cloud you see.
Fill your dreams with sweet tomorrows
Never mind what might have been,
May the good Lord bless and keep you
'Till we meet again!

HISTORY OF THE WOMAN'S CLUB OF PALO ALTO
1963 - 1964

PRESIDENT: Mrs. Lester Nathanson HISTORIAN: Mrs. Marion M. Thomas

The History of any organization is made according to the work accomplished and the good it has done. An organization without a purpose or goal will perish. The Woman's Club of Palo Alto will be noted for its work and accomplishments in its 1963 and 1964 year. This has been a good and rewarding year for the Club and its members.

No matter how accomplished and faithful to her responsibilities that a presiding officer may be, without the love and supoort and inspiration of the members, she cannot succeed alone. Our charming leader, Mrs. Lester Nathanson, has had the whole hearted cooperation of the leaders of the sections and committees. The attendance at the meetings has been exceptionally good throughout the year. By the enthusiastic cooperation of the members, the Membership Chairman, Mrs. L. M. (Helen) Van Loh, has attracted forty-five (45) new members into the Club. Two delightful Tea Parties were arranged by and held at the home of Mrs. Van Loh, to welcome and to make these new members feel that they had become members of a friendly organization.

Mrs. Sidney Henes, Chairman of the Program Committee, was most successful in obtaining delightful programs for each of the monthly meetings. An outstanding entertainment was given by Mrs. Elaine Thompson, Soprano, who presented -- "The International Christmas songs and traditions." Muriel Wolfson presented - "Mothers of the Great" which was a delightful and informative performance.

Mrs. John T. Lewis and Mrs. Howard Zink as co-chairmen of the Hospitality Committee, were present at all meetings to great and to welcome old and new members and their friends.

Mrs. Harry Larmour, for years, a Chairman of the Amenities Committee, was always present to take care of special guests, speakers, and entertainers.

The foyer and the club room were made attractive by the efforts of Mrs. H. H. Seiter and Mrs. H. Oliver, who with the gracious donations of flowers and the talents of other members, never failed to have beautiful floral arrangements in the foyer, in the large vases at each side on the stage and a bouquet on the President's table.

Mrs. Donald Knapp and Co-Chairman, Mrs. Myron Chenard and their committee provided a delightful tea for each regular meeting. The tables were beautifully appointed and decorated with the flowers and colors which were appropriate for the occasion.

Attached to this History is a collection of the publicity given by the local newspapers to the activities of the Club. Mrs. Emmett Fitzpatrick was responsible for obtaining this publicity. However, Mrs. Phil Bodley did all the typing and mailing the news to the different newspapers for release. Mrs. Bodley worked in the background but could not attend the meeting regularly because she owned the West Coast Lithographers and was a busy lady.

Each month a complete bulletin of the Club activities was edited and posted to each member early in the month. This work was accomplished by Mrs. Louis Belli, Mrs. E. J. Koehler, and Mrs. Luther E. Cisne.

Many services add to the smooth sailing of this Club, not the least of which was the service rendered by the Reservation Committee, which was headed by Mrs. Elon Gerken and Mrs. Allen Prior. Throughout the year, they made reservations for all the Club activities, answered phone calls for information, answered questions, and gave directions.

Mrs. L. M. Cook kept a record of visitors and guests.

Mrs. Gertrude Lewis and Co-chairman, Mrs. V. B. Reutepohler compiled the Year Book for 1963 and 1964. Mrs. Phil Bodley (Grace) did the printing.

Mrs. Homer Herbert, accompanied by Mrs. Aden Lattin, graciously led the members in the opening songs, and Mrs. Myron Chenard and Mrs. Charles Fisher took on the responsibility of seeing that our sick members and shut-ins and those in bereavement were not forgotten.

The Finances of the Club are always an important consideration. Mrs. George Whitworth took on the responsibility of seeing that the necessary finances of the Club were raised and properly distributed. Her committee worked in close cooperation with the Ways & Means Committee which was headed by Mrs. Willawise Monroe. The evidence of Mrs. Monroe's work is shown by the results of the work of the various activities which come under her general guidance:

1) The Rummage Sale, Mrs. Marvin Arbuckle, Chairman and with her co-chairman, Mrs. Alfred P. Guthrie, netted $591.50.
2) The Bazaar, Mrs. Willawise Monroe, Chairman, netted $628.81.
3) Lytton Fashion Show & Tea - netted $156.00.
4) The Birthday Luncheon, Mrs. Marvin Arbuckle, Chairman - $80.00.
5) The Bridge Tournament, Mrs. J. J. Krohn, Chairman - $390.00.
6) The Valentine Bridge sponsored by Bridge Section - $150.00.
7) Bridge Benefit - $93.80.

A NICE TOTAL OF . . . .$2,089.00.

8) The Spring Fashion Show, given at the Palo Alto Hills Golf and Country Club, was an outstanding success. Mrs. E. John Wells, Jr., Chairman and Mrs. Robert E. Padgett, Co-chairman, die a wonderful job. The income from this event was $306.00.
9) Club Rentals - Mrs. Henry A. Burr, Chairman, amounted to $3,415.80.

Throughout its existance, the Club has shown a deep interest in the welfare and health of the Palo Alto community. For many years, it has taken an interest in the Veterans' Hospital Canteen Service. Each week, Mrs. George Ormsby and Mrs. A. Wolcott, have spent one afternoon at the hospital and served cookies, tea, and coffee, to our war veterans.

To the Arthritis and Rheumatism Foundat on, the proceeds of several of the Clubs activities have been donated, amounting to $250.00 this year. One hundred dollars was donated to the Loma Prieta District's Nurse's Scholarship, and $300.00 was given to a Palo Alto High School girl as a scholarship from the Club. Mrs. Walter Dismukes was chairman of the Scholarship committee. Other donations to worthy causes amounted to $200.00, a total of a little over $800.00.

The History of 1963 and 1964 would not be complete without recognition of the cultural contributions of the Club. Much enjoyment was given to its members thru the talent and work of several of the Sections.

The Book section, headed by Mrs. Florence Wright and Mrs. Lee Tanner, has been outstanding. Interesting books were read and reviewed by th members. Pictures of the Holy Land with commentary were shown. Trips to Art Exhibits and lectures were taken, and the History of the early days of the Club were read by Mrs. Harold Kay. This section donated money to purchase Braille Books for blind children.

The Drama and Music Section, altho a combined section, each alternated during the year in taking charge of, and providing the program for the day. Their activities radiated in many directions. In October, eleven of the members journeyed to Santa Cruz to the Loma Prieta District Meeting to take part in their "Fun Day". For the enjoyment of the members, Mrs. Helen Van Loh directed a skit - "Meeting with Music." Mrs. Fisher, at the November meeting, reviewed "Camelot" especially, the phases of

the drama, music, and the facts and fiction surrounding King Arthur. The Christmas Day program was an original play by Mrs. Leslie Lutz, depicting the familiar scenes at Christmas time. This play was directed by Mrs. Kay Bowman. Mrs. Hayes provided the program for February and entertained the Section with two original monologues and also presented two young students who sang selections from current light opera. Keith Cook, in March, entertained the Club membership by singing his own original folk songs and by having the Club join with him in the songs. Alternating, with the Drame section was the Music Section. It presented the "American Heritage" program. The narrative was read by Mrs. Lutz, with the piano accompaniment composed and played by Mrs. James Marshall. The entire Club membership in December enjoyed a one-act play, written and produced by Mrs. Lutz...."There's no place like Home."

The original material presented by these sections won for it and the Club, the DRAMA AWARD FOR THE YEAR.

The Garden Section, altho small in members, was large in its provision for interesting meetings and trips. Mrs. F. C. Kendall and Mrs. J. M. Thompson were the leaders. Mrs. Kendall called the first meeting in October and made plans for the year. It took over the task of setting the tables for the "all members birthday luncheon" in November.

Twelve sub=chairmen were appointed, each to take charge of a table representing one month of the year. The tables were decorated in a theme appropriate to the month. Individual Club members were contacted, as far as possible, and requested to sit at the table of their birthday month. In the December meeting of the Section, gifts were collected to be presented to the patients of Agnews Hospital.

Conducted tours were taken to Ah Sam's Nursery in San Mateo, and to the McCellan Orchid Nursery, which was followed by a luncheon at the Brentwood Lodge. In April, a trip was made to the Cacti Gardens in Scotts Valley.

At the final meeting, the section voted to present an Electric Clock for the Club kitchen.

A new section wad introduced this year - "International Hostessing" with Mrs. John Riedel, chairman and her co-chairman, Mrs. Karl Kaiser. A tour of the Bechtel International Stident Center was the first activity, and in Nobember, the section sponsored the Northern State Chairman of the International Hostessing, Mrs. Duane S. Meyers, as the speaker for that meeting. Individually, the members entertained sixty-five (65) foreign guests from 13 different foreign countries. Three members traveled in foreign countries and one entertained a foreigner for 6 months. One other Club member traveled for six months in New Zealand, Australia, and the Orient.

Civic and Local and Federal Legislation was not neglected. Mrs. Nellie Broderson kept the Club informed as to current legislation in all branches of the government. Many letters and contacts were made urging congress to legislate on the sale and registration of firearms when sold. With the support of the local newspapers and letters, the California Alcoholic Control Board, a liquor license to permit the sale of liquor in the near vicinity of the Veteran's Hospital was denied.

In 1962 - the Club was directed to conform to the Palo Alto City Building Code and health requirements and that it would be necessary to make major changes in the Club kitchen. Teh Board members discussed this problem from all angles.. Architectural drawings were made and estimates of costs obtained. Miss Dorothy Little and her able committee investigated all costs of materials and they weighed the different values of the necessary equipment. Three estimates were received.

The question of financing an adequate renovation and the obtaining of the best values for money expended; should a complete or a patch job be made? In the meantime, two contractors dropped their bid, and by this Spring the price had gone up by at least 15%. At long last, by decision and vote of the board, it was decided to ask the members to accept its recommendation that a complete over-all renovation of the kitchen

be made. The estimate of the previous year was given as an idea of what the project would cost. When the report was made by Miss Dorothy Little about the necessary work to be done, and the necessity for the same, a motion was made by a standing vote and practically 95% of the members present voted to accept the recommendation of the Board,

Mrs. Whitworth, in the meantime, had been investigating the ways and means of financing this work. She and her committee came up with the plan to ask each member to make a loan of $10.00; this to be paid back by the end of 1967. It was estimated, that by this plan, and the money already in the bank, a reasonable estimated job could be carried out by the club. At the following meeting, this plan, by a standing vote, was unanimously accepted. At the time of this writing, the members have responded splendedly.

The major repair to the club building in the past year, was a new hardwood floor installed on the stage, and a hand-rail placed at the back door on Cowper Street for the safety of those using the kitchen back door.

It would be impossible to name the complete list of work and workers who have contributed to the success of the club this year. To do so, would entail listing almost the entire roster. Without the cooperation of all the members of each committee, these splendid accomplishments could not have been completed.

May 5th, 1965 ## Report of President

Since the beautiful Installation in May of 1964, our Club has accomplished much. The Officers have been devoted and have cooperated to the fullest extent, creating an atmoshpere of harmony.

The Board meetings have been well attended and all matters have been intelligently handled to the betterment of the Club.

I shall always be grateful to the Nominating Committee for selecting these wonderful Officers, and I am grateful that you all selected me to be your President, as this was a great priviledge to be associated with these dedicated people.

We have all enjoyed the wonderful Programs Mrs. Kaiser and her Committee provided for us. Also, all the Programs sponsored by the Sections were excelent.

Mrs. Van Loh has been untiring in her efforts to build up membership. We appreciate having the many fine people as new members.

Mrs. Koehler has been a splendid Recording Secretary, helping me keep my agenda in order.

Mrs. Guthrie, our treasured Treasurer has been a blessing with her knowledge and willingness to keep our books in perfect order. Bookkeeping could be a headache in a Club but with Mrs. Soldate and Mrs. Guthrie we have been spared any concern.

Mrs. Bowman our Corresponding Secretary has served us well by doing all our writing for us.

Our material house has been kept in order by our fine Finance Officer, Miss Dorothy Little. She has worked very thoughtfully with the welfare of the Club in mind and to protect us in all of our financial problems. The new Kitchen was her big concern. We really should call it our "Little" Kitchen. She has also served well as House and Grounds Chairman. We truly appreciate her efforts. + enjoy our Kitchen + new heating system

If it had not been for our Parliamentarian, Mrs. Zink, I would have made many more mistakes than I did. For that, we, and especially I, thank her.

Mrs. Spielberger is doing a fine job in keeping the History of our Club so that we may be well proud of our Club and enjoy the fond memories it will bring us.

We won five Awards in 1964 namely: California History and Landmarks, Legislation and Government, music Scholarships, and Drama. This year (1965), we won five awards, namely: International Projects, Cultural Heritage (for Mrs. Fenney's "Song of Palo Alto), Veteran's Affairs, Family Living, Foundation Fund, and one for subscribing 100% to the California Clubwoman.

We have enjoyed Mrs. Kaiser leading our songs and Mrs. Fenney's piano playing. It is wonderful to have such accomplished members. Many thanks, too, to Mrs. Arbuckle for the advertising in our Year Book.

Our Bulletins have kept us informed and we appreciate the work of that Committee. Mrs. Jackson has saved us a great deal of money by mimeographing the Bulletins and they were beautifully done.

The Publicity Chairman, Mrs. Sowards, has kept usin the News. Our Courtesy and Sunshine Committee has kept everyone filled with good wishes from our Club.

Mrs. Burr, bless her, has truly been faithful with the Rentals. Our Teas, Luncheons, and Dinners have been made to order and could not have been surpassed by anyone. We have too very fine cooks, Mrs. Arbuckle and Mrs. Ringler. Of course, these affairs would not have been possible without the wonderful Tea Chairman.

We have been well cared for by our Amenities Chairman. Mrs. Larmour has seen that I have beautiful corsages and I do thank her and the Club for these courtesies. I also thank Mrs. Blacker for taking care of the Mike for me. We have had a grand Hospitality Committee and a splndid Keeper of the Guest Book.

Ou r Decorations could not have been more beautiful and we thank the Decoration Chairmen.

As Ways and Means, Mrs. Arbuckle and Mrs. Reidel have been kept very busy. Mrs. MacDowell and Mrs. Samuel Smith worked at the Gift and Craft table every meeting and we will never forget what they have done.

Our Chairmen and Co-Chairmen of Standing Committees, Sections, and Projects are too many to mention individually. They are all named in the Year Book and you have heard their splendid Reports. I will not repeat, only to say that we certainly do thankthem. They strive to please and they are so faithful in making all of our meetings and projects worth while. They have been instrumentsl in making a nice profit for our Club.

We wish to thank those who gave their Homes and Time for special money making projects--Mrs. Rown, wal Mrs. Christmas, Mrs. Jackson and Mrs. Atkinson. Mrs. Whitworth was such a very great help to the Club, before she moved to San Francisco. We miss her.

We are proud of our accomplishments with our Scholarships, our work at the Veteran's Hospitals and our Donations. We were happy to present a Record Player to the Children's Theatre at the Palo Alto Comunity Center.

We hav eenjoyed the Junior Club members. They are a great inspiration to us. I have been invited and attended many of their affairs and appreciate the good work they do. We thank them for the day they entertained us.

I also receive much inspiration by attending the District Meetings. We share our views, which helps us in friendship.

I enjoyed the Convention at the Cabana. I truly thank the Club for making it possible for me to attend th ese meetings and Conventions. I will be going to the State Convention at the Biltmore Hotel. May 10-13 – Los Angeles There I will see Mrs. Neilson at work again as she is on the Credentials Committee.

Mrs. Neilson, Mrs. Hurst, and Mrs. Van Loh worked for many weeks getting ready for our Convention at the Cabana. Mrs. Hurst was Credential Chairman and Mrs. Van Loh, Reservations. The District was very happy with the meetin there and we were very proud to be the Hostess Club. Many other girls worked too, and we thank them for what they did. The Junior Club girls were the Pages. I wish you could all have seen them. They certainly fulfilled their many tasks.

I cannot begin to thank everyone in this report, but I truly want to try and thank all who have had a part in any way in these two years in which I have been your President.

I love you all. Our Friendhsip and loyalty for one another will keep our Club strong and stable.

Civic Affairs Committee of Woman's Club of Palo Alto
Minutes of the Meeting of Sept. 10, 1964

The following members of the Civic Affairs Committee met at Mrs. Broderson's home at 10: A. M., Thursday, Sept. 10,1964: Dorothy Arbuckle, Marguerite Burr, Alma Cook, Jaunita Grimm, and Myrtle Hill. Other members unable to be present are; Marian Thomas, Thelma Carpenter, Jill Cisne, and Leona Jakobsen.

Mrs. Broderson, Chairman explained the past activities of this committee. Through their efforts the downtown City Library was retained. The Committee worked for years to secure a new County Jail and Juvenile Hall, after Mrs. Broderson had visited the old jail and had seen the crowding. With the cooperation of Dallas Woods, ex publisher of the Palo Alto Times, the League of Women Voters, the churches and ministers, and other devoted people, they studied the records of the expenditure of County funds. They found that much money was being spent on the Santa Clara County Fair grounds with the purpose of promoting para-mutual betting. After publicity of the facts, two propositions were placed on the Ballot :(1) to vote bonds for a new jail and juvenile hall, (2) should the county have para-mutual betting. The Bonds were carried and the betting was defeated. ~~at the next election.~~

This victory was reported and documented in a nation wide contest for a one thousand dollar prize offered by the Woman's Home Companion for the best Civic Project. The evaluation was made by the Applied Social Research Department of Columbia University. ~~Rakaxkixx~~ The Woman's Club of Palo Alto won first place in the contest and the prize of one thousand dollars. The story was reported in the May 1955 copy of the Womans Home Companion. Mrs. Broderson, the Chairman, was given a trip East to receive the prize.

After this inspiring story, projects for present activity were discussed.

It was reported that Jill Cisne attends meetings of the City Planning and Beautification Commission and is interested in a Bird Sanctuary in the Bay Lands.

Dorothy Arbuckle is interested in the Propositions on the Nov. Ballot. Mrs. Broderson has arranged for speakers from the League Of Women Voters to discuss these at our Oct. 7 Club meeting. The hope of keeping this discussion reasonably brief was expressed. Our Committee can be of service to the Community by alerting groups to this service by the League.

Mrs. Arbuckle suggested that this Committee endorse Mrs. Frances Brenner, a former President of the League of Women Voters, for the next vacancy on the City Planning Commission, appointment to be made by Mayor Bert Woodward. The Committee unanimously recommended that this be done and a letter to that effect be sent to Mayor Woodward. (The Mayor has appted Mrs Brenner)

It was further suggested that we work to have another woman serve on the City Council, making two women members.

Alma Cook expressed objections to the City Planning Commission recommending high rise apartments at University and El Camino Real.

Other problems we should be interested in are:
(1) Lotteries, which the Club has traditionally opposed.
(2) Estate Appraisers, which should not be appointed by the Comptroller but should probably be under Civil Service.
(3) Liquor Licenses, two of which we are interested in at present.

An Applicatiom for on-sale liquor has been made by a Super-Market to be opened near the Veteran's Hospital on Willow Road. This is opposed by the Superintendent and the Doctors at this Hospital, the District Attorney, and the Chief of Police of Menlo Park. Mrs. Broderson has expressed objections for the Woman's Club.

Another recent request for a liquor license was made by an eating house, "The 4 Seasonings" located at 75 Town and Country Village, Palo Alto. This is across Embarcadero Road from the Palo Alto High School and near Stanford University student housing and is therefore a very objectionable location.

It was requested by the members present that the Civic Affairs Committee send a letter of protest to the Alcoholic Beverage Control Board in Sacramento concerning the granting of a license for the sale of liquor at this location. Also requesting information as to when a decision will be made about the Super-Market license near the Veteran's Hospital.

(4) Projected United Nations films on T V

The suggestion was made that we write letters of commendation to Mr. John Guttenberg, Executive Officer, Zerox Inc., Rochester, N. Y. for the forthcoming series of T V films on the United Nations.

(5) Peninsula Committee for Fine Arts

It was recommended by the members present that the President of the Woman's Club appoint a committee to attend and participate in an afternoon and evening meeting on October 10 of the Peninsula Committee for Fine Arts, Doctor H. Christian Zwang, Chairman. We wish to endorse and encourage this effort.

An article on "They Can See Again" in the Readers Digest was recommended. Stanford University has an Eye Bank to which we may will the corneas of our eyes.

Attention was called to Chamber of Commerce Meetings which are open and where we may speak and express opinions.

Respectfully submitted,
Myrtle Hill, acting secretary

Gentlemen:

The Civic Affairs Committee of the Woman's Club of Palo Alto wishes to protest the granting of a license for the sale of alcohol beverages to "The 4 Seasonings" restaurant at 75 Town and Country Village, Palo Alto.

This is a very objectionable location because it is directly across Embarcadero Road from the Palo Alto High School. The students of this high school make it a practice to buy snacks or lunches in Town and Country Village and would be in daily contact with this place of sale.

In addition this location is within a short distance of student housing on Stanford University campus, being directly across El Camino Real from the campus.

For the above reasons we believe you can only agree with us that this is not a suitable place for the sale of alcoholic beverages.

We are also anxiously awaiting word as to when a decision will be made by the Board on the application for a license for on-sale liquor at a Super-Market near the Veteran's Hospital ~~on~~ near 2689 Bay Rd. Willow Road in Menlo Park. We would appreciate being informed about this matter.

Thank you for your consideration of our wishes.

Very truly yours,

Bountiful array ot toods for luncheon-tea

Thanksgiving season sets the mood for the table being arranged by Mrs. Marvin Arbuckle, left, and Mrs. Lester E. Nathanson, members of the Palo Alto Woman's Club helping to plan the bazaar and luncheon-tea tomorrow and Friday. A horn-of-plenty is the center attraction at the well laden table. Mrs. Arbuckle is luncheon-tea chairman and Mrs. Nathanson is president of the club.

Luncheon-tea is special bazaar feature

Unusual luncheon delicacies will be served at the Palo Alto Woman's Club as an added attraction to a two-day bazaar at the clubhouse, 475 Homer Ave., starting tomorrow 10 a.m. to 9 p.m., and Friday, 10 a.m. to 2 p.m.

Purpose of the event, to which the public is invited, is to raise funds for the nurses' scholarship fund. On sale will be original art objects and other handmade Christmas gifts, such as macaroni Christmas trees and jewelry boxes sprayed with gold, novel tree ornaments and wreaths, piggy banks fashioned from plastic detergent bottles, personal note paper adorned with pressed wild flowers, and assorted aprons, dishtowels, and luncheon sets. Members of the club's craft section have been making these items all year, keeping in mind a selection that would enable all members of the family to get their Christmas shopping done early.

A luncheon-tea will give the shoppers an opportunity to savor dainty sandwiches and desserts made from members' favorite recipes. In charge of the luncheon-tea is **Mrs. Marvin Arbuckle,** wife of Palo Alto's postmaster and cateress to many local social functions. She contributed the following recipe:

HOLIDAY BON BONS

½ cupful soft butter
¼ cup brown sugar
½ cup molasses
2 tsp. vanilla
2 eggs
1¾ cup sifted flour
1 tsp. baking powder
1 tsp. nutmeg
½ tsp. salt
1 cup ground walnuts
2 cups raisins
1 pound (2 cups) candied peel

Mix well in the order given. Place into refrigerator for one hour; then form into 1 inch balls; space one inch apart on a slightly greased cookie sheet. Bake in a 375° oven eight minutes or until the bottoms are slightly brown. Cool. Makes 70.

a. Roll some in confectioner's sugar to make snowballs.

b. Glaze some and roll in coconut while icing is soft.

c. Glaze some and decorate with pressure decorating icing. A tiny flower and leaf on top is lovely.

Place into candy papers you may purchase from candy stores.

Mrs. Lester E. Nathanson found time from her duties as president of the Woman's Club to prepare the following:

NO-BAKE COOKIES

2 cups white sugar
1 stick oleomargarine
⅓ cup cocoa
½ cup milk
1 cup chunk style peanut butter
3 cups uncooked quick oats
1 tsp. vanilla

Melt oleo, add sugar, cocoa and milk — just bring to a rolling boil.

Remove from heat and stir in peanut butter and vanilla.

Add uncooked oats.

Drop by teaspoon on waxed paper and let stand for at least ½ hour — the longer the better.

BANANA NUT BREAD

Sift before measuring: **2 cups bread flour**

Resift with:

½ tsp. baking powder
½ tsp. soda
¼ tsp. salt

Cream until light:

¾ cup sugar
¼ cup butter

Beat until light and stir in **1 egg.**

Beat in **⅔ cup mashed bananas** — about two medium bananas make ⅔ cup.

Stir these ingredients into the flour mixture in about three parts (until blended only) alternately with thirds of three tablespoons sour milk or buttermilk.

Add: **½ cup broken nut meats.**

Place the batter in a greased 8 by 4 loaf pan.

Bake at 350° oven for about 1 hour.

☆ ☆ ☆

Mrs. Alfred Hurst, past president of the Woman's Club, has found her tuna puff recipe a favorite with her friends:

TUNA PUFFS

Put ½ cup butter and 1 cup boiling water in sauce pan; as soon as boiling point is reached add 1 cup flour all at once and stir vigorously. Remove from fire as soon as mixed and add unbeaten eggs one at a time. Beat until thorthoughly mixed between addition of eggs until 4 in all have been used. Drop by teaspoonfuls on a buttered sheet about 1½ inches apart, shaping with handle of spoon as nearly round as possible, having mixture slightly piled in the center. Bake in a hot, 400° oven for 30 to 35 minutes. Mix tuna, onion juice and mayonnaise, heat, and fill puffs just before serving. Puffs may be filled with chicken, ham salad, or any other filling you may want.

☆ ☆ ☆

Friends of **Mrs. Robert C. Ringler,** who has done catering and is known for her cake decorating demonstrations to various groups, have found her Almond Meringue Wreaths a pleasant change of pace from the heavy fruited things usually found on cookie trays this time of year.

ALMOND MERINGUE WREATHS

1 cup granulated sugar
½ cup water
2 egg whites
⅛ tsp. almond extract
¼ tsp. vanilla
½ cup finely ground blanched almonds
Green food coloring

Heat oven. Boil sugar and water to 265° (almost brittle ball). Beat egg whites until stiff; then pour in sugar syrup in fine stream, beating constantly. When mixture holds its shape, fold in extract and almonds. Tint green. Shape with star pastry tube into wreaths. May be dropped by teaspoonfulls onto well greased cookie sheet. These keep well if kept in airtight containers. Makes 4½ dozen.

Mrs. Henry Broderson, who takes active part in divic and legislative affairs (Woman's Home Companion 1955 "Club Woman of the Year"), says this is one of her favorites:

APRICOT JAM TIDBITS

1½ cups sifted all-purpose flour
1 tsp. baking soda
1 tsp. salt
½ cup chopped nuts
2½ cups uncooked oats
1½ cups brown sugar, packed

A COLLECT FOR CLUB WOMEN

●

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

Here's a wish, that every morning
May greet you with a song,
That the rosy hours of gladness
May keep you all day long.
That the eventide may bring you
A mind that's free from care,
With your many friends about you
And God's blessing everywhere.

1961-62

REPORT OF HISTORIAN - Mrs. Wm. C. Haydon (Ferne) 1961-1962

PRESIDENT: MRS. HARRY I. KESTERSON

The first meeting of the new club year (1961-62) was held June 7, 1961. After the usual business meeting, Mrs. J.J. Krohn presented two enlightening films entitled:

Un-American Activities
1. Operation Abolition
2. Communism on the Map.

Second meeting - September 20, 1961. The Annual Reception and Tea welcoming the new members and an entertaining musical program provided before tea-time.

There were eight business meetings, six General meetings, one guest night supper, two luncheons and 1 dessert meeting (and final annual report) held this year.

All meetings were well attended. Mrs. Harry Kesterson, President presided at all the meetings except March 21st, when she was travelling in Europe with her daughter. Mrs. Sidney Henes, second Vice President, in the absence of Mrs. Lewis, the first Vice President, presided for Mrs. Kesterson at this meeting.

The Standing Committees and various Sections did their part to make an enjoyable year.

Special Events of this year were a Fashion Show and Luncheon in October at the Stardust Motel, which was well attended and a financial success. The Valentine Bridge party was a pleasant way to net more money for the Club. The Drama Section gave a delightful play with all financial proceeds given to the Half Century Club - Senior Citizens. During this year a (Bridge) Merry-Go Round Bridge Tournament was in progress with a party May 7th and the awarding of prizes. This bridge tournament was a nice way for members to become better acquainted and made a most satisfactory financial profit for the Club.

A considerable amount has been given to worthwhile causes total of around $1,000.00.

HOUSE & GROUNDS REPORT - Mrs. Philip Rowan, Chairman

Every five years the draperies and stage curtains must be cleaned and flameproofed as a safety factor, according to the Fire Chief and the Board of Fire Underwriters Insurance. It was done this year.

A new concrete sidewalk was installed at kitchen steps to Cowper Street sidewalk. A new door mat purchased for the front entrance. Two new tables were purchased for tea tables in the dining room, also one new table cloth.

Professional cleaning of the Clubhouse by Able Building Cleaning Co. (Cost $95.00).

There has been no termite inspection for the past seven years. Three termite inspections and estimates were submitted to the Board. The three inspections cost a total of $70.00. The estimates of work: Merideth $925.00; Rose Termite *895.00; Terminix Co. $1,725.00. The Board did not take action, or approve having this work done.

In the termite inspections we were advised of a leaking pipe and toilet to be repaired. The Board approved this work. Cost $102.71.

A leak after rains, in ceiling in storage room area needed attention. Three bids were obtained for roof in rear of building, which is a flat tar and gravel roof. Board approved lowest bid for work. West Roofing Co. Cost $135.00.

After making estimate for rear deck tar and gravel, we were advised the main building roof was in need of repair, probably within a year's time. Particularily on the Cowper Street side of the main building. The estimate for this work - $765.00. This might be taken into consideration by House and Grounds Committee next year.

Snall repairs were make as needed during the year; and trees trimmed where overhanging the roof.

The heating system is old, repairs were made again this year.

The Clubhouse was erected in 1916. It would seem advisable fot reliable advise to be obtained for a remodelling and restoring of the Clubhouse premises in order to maintain this desirable property.

DRAMA SECTION - Mrs. Theodore Bowman, Chairman

Three plays and two skits were presented this year. We had a full and happy year. My committee of 22 worked hard to give interesting and instructive programs. My co-chairman, Mrs. L. M. Van Loh never failed to be there when needed and I thank her.

We received a certificate of award for the Best in Work and the Best in Reports from the Loma Prieta District.

We represented our Woman's Club of Palo Alto at the District Convention, by presenting the South American Skit Chia, and if I do say so myself, it was well done.

PUBLIC HEALTH, WELFARE AND RED CROSS - Mrs. Louis Belli, Chairman

The following is a summary of the activities of the committee from September 1961 to January 1962.

At each monthly meeting, the "Pap" smear for uterine cancer has been mentioned and cards were given to attending members to sign and fill in the date that the "Pap" smear was taken. To date, seventeen cards have been returned.

At the Sept. meeting, the members were asked to keep an account of the number of hours spent doing volunteer work in the community. The yearly total number of hours to be given to me about April 1962. Twenty-seven cards were returned to me.

Safety belts in cars were discussed at the December meeting. Cards were given to the members to be signed and returned to Washington D.C. after the safety belts have been installed.

In cooperation with the General Federation of Woman's Clubs, the American Camcer Society seeks to reduce and eventually eliminate uterine cancer as a cause of death.

Cystic Fibrosis is one of the most serious and common of the chronic diseases that children inherit. The disease affects the glands of external secretion and causes chemical changes in these secretions that lead to serious complications in many organs. The most seriously involved are the lungs, the digestive system and sweat glands. The importance of early diagnosis of cystic fibrosis to prevent complications was discussed at the Oct. meeting.

The General Federation of Women's Clubs had a crusade in 1961 to help reduce the needless injuries and loss of lives on our highways by urging all members and their friends to install seat belts in their cars. The purpose of the seat belts

12/1962 continued.

In the termite inspections we were advised of a leaking pipe and toilet to be repaired. The Board approved this work. Cost $10.71.

After making estimate for rear deck tar and gravel, we were advised the main building roof was in need of repairs, probably within a year's time. Particularly on the Cowper Street side of the main building. The estimate for this work is [illegible]. This might be taken into consideration by House and Grounds Committee next year.

Small repairs were made as needed during the year, and trees trimmed where overhanging the roof.

There were three hundred cards distributed with instructions to send them to Women's Crusade for Seat Belts, 300 Ring Bldg., Washington, D.C., as soon as the belts were installed.

Seven hundred and twenty hours was spent doing volunteer work in the community. Most of the work was done at the local hospitals as well as various charitable drives.

ART SECTION - Mrs. Gilman Murray, Chairman

We enjoyed various phases of art experience and it was especially due to the cooperation of my co-chairman, Mrs. Charlotte Campbell, and those members who made the effort to feign an interest.

In cooperation with two junior members four seniors actually dabbled in a new media--Tri Tec under the able guidance of Mrs. Vivian Roth. At Christmas Mrs. Campbell held a party in her home for members and guests. Mrs. Roth gave a demonstration of how an artist works at the club house. Mrs. Campbell and Mrs. Sherwin arranged an art appreciation class to which all members and the club at large were invited to attend. Elmo Hayden, an expert in the field of photography gave a most interesting lecture at the club house tracing the history of photography-covering also the construction of a camera and including a demonstration of his own enlargements of photographs he had taken. Eight members enjoyed a conducted tour through the Calif. Palace of the American Legion of Honor. I contributed an appearance and original paper of suggestions for presenting art in our community to Mr. Smith of the Community Center in conjenction with his idea to have an art Festival. We took $10.00 out of our original membership fees and gave it for a scholarship to a student at P. A. Academy of the Arts under the conjunction of Mrs. Jobe Jenkins who favored us with an appearance at one of our general meetings.

We leave for the incoming art chairman a legacy of $8.00 which we hope will be used for a scholarship to any worthwhile person.

BOOK SECTION - Mrs. Elinor Oliver, Chairman

Meetings were held at the clubrooms each month, beginning in October, 1961. Mary Smith, our stand-by and last year's chairman, gave the first review. The meetings were very well attended and a real inspiration. We had one paid review by Mara Hackney, on the life of Rembrandt which was exceptionally well given and received. We have been self-sustaining - our dues has paid for the tea and refreshments at each meeting. We would like the money that is turned in to go toward the purchase of a book for the public library. Mrs. Olive Whitworth was our very able co-chairman and Flo Wright, treasurer.

VETERANS - Chairman, Mrs. George Ormsby

During the past year members of this committee have served two hours each week at the Veterans Hospital "Haven" serving coffee and cookies to patients. Usually two women work together, but this year we have been short of helpers and at times one member has worked alone.

Our club has contributed ten dollars per month for buying cookies. In addition to this several members of the committee baked cakes or cookies to take each time they served.

It is a rewarding service and I hope that more members may find it possible to give two hours a month to it in the coming year.

Those serving on the committee were: Mrs. Albert Styles, Mrs. Gladys Blodgett, Mrs. Cecil Scheigner, Mrs. A. E. Goodwin, Florine Housel, Mrs. Arthur C. Carr, Mrs. Andrew Clark, and Mrs. A. C. Wolcott.

INTERNATIONAL RELATIONS - Dorothy Turner, Chairman

The agreement that the members of the International Relations' committee would share equal responsibility in programs and projects has worked beautifully so far as I am concerned; Nellie Broderson, Kathryn Kay, Erma Fisher and Leona Jakobsen have all done more than I have. To them individually and collectively, I want to express my gratitude for carrying on when I was to quote the apostle Paul, "beset behind and before" moving from one place to another.

Nellie Broderson was hostess in her home for the Oct. meeting. Mrs. Floyd French gave a graphic report of her travels in Africa. Mrs. Florine Housel did the same in regard to her detailed experience in Japan. Leads from both talks could have furnished programs for the year if each speaker hadn't been too busy with worth-while interests to promote them. Mrs. Stannard was so interested in the report of the needs in Korea that she suggested the collection of used clothing to the Half Century Club. Two 8-lb. boxes of children's usable clothing were contributed, mended if necessary, and sent to Esther Whang Park from whom I received a letter yesterday in regard to the arrival and the charge of $12.30 tax. We have sent numerous boxes to Mrs. Park, marked gift boxes and used clothing with no charge on arrival. Mrs. Park's letter was answered by return including a check for the amount as neither the Half Century Club nor the International Section would want her to pay such an amount personally.

Leona Jakobsen opened her home for the November meeting when Dr. Bock who has done extensive work on diseases of the eyes in India was the speaker and showed interesting pictures of Indian life. Two Indian students from Stanford added to the interest of the evening. We regret that Dr. Bock was too busy afternoons to repeat the program at the club house for the benefit of members and their friends who could not attend the evening meeting.

Kathryn Kay had been impressed with the vast amount of information that her neighbor, Mr. Herrman, had brought back from Europe as conditions are today. She suggested a section program. Committee members suggested that Mr. Herrman speak at the January club meeting for which the section was responsible. All were indebted to Mr. Herrman for the comprehensive understanding that his talk afforded.

Our interest in South America was greatly enhanced by the pictures shown by Mr. and Mrs. Cone for the March meeting. The lecture by Mrs. Cone and questions period following constituted one of our most interesting meetings.

We regret that a meeting similar interest on Korea was impossible for April. Dr. and Mrs. Shaw who have spent years in Korea are busy with over-lapping lecture dates and the possible arrival of guests have been complicated by the marine strike until no free day in April was avaiable.

You will note the use of the word "busy" occurs throughout this report. In each case it centers in constructive interests based on worth-while reasons. It looms up more and more in our community of so many opportunities until I am tempted to suggest to the on-coming administration that a committee be of some of the busiest people be chosen to consider the time question in relation to some of the interests, possible programs and projects. Possibly the following resolution might be a starter:

"WHEREAS since the time of Adam Smith to the present there has been study of man's dividing the wealth in our economy and whereas in the course of human events it seems to be necessary to study the possibilities of studying the time programs and talents which abound in our organization be it resolved that a constructive study that may add to Vance Packard's research be made of the relation of time, its expenditure and its investment to the work of our organization be made."

It might not be amiss to call on some of the scientists in the community and point out that science has invented almost everything but time. Now I can't

write more for I am very busy with last packing details to go by plane to Roswell New Mexico. With warm regards to the friends of the year and the best of good wishes to the on-coming administration, I am

Yours almost short of time in getting to that plane!

BRIDGE SECTION - Norine Dufoureq, Chairman

We have had a bridge and Canasta party on the 2nd Friday of each month - a different chairman and co=chairman - they in turn had their own committee to help them serve the refreshments and set the tables. It has been a pleasure to work with everyone.

We had 93 signed up, each member paid the fee of $1.00.

The Valentine party was a success - we had 34 tables of bridge and one of Canasta - we grossed $220.00, our of that we had $37.50 expenses, which left a net of $182.75 - that amount was turned over to the Woman's Club. We were entirely self supporting.

RENTALS - Mrs. Henry A. Burr, Chairman

The rentals from June 1, 1961 to May 1, 1962 amounted to $3,455.00 with an estimated $255.00 for May, making a total of #3,710.00 for the year. These rentals were for church services, concerts, recitals, card parties, receptions, antique show, luncheons, dinners and a dancing class.

CIVIC AFFAIRS AND LEGISLATION - Mrs. Nellie M. Broderson, Chairman

On March 7th, State Chairman, Mrs. Shoesmith gave a most informated talk on "Club Women and Good Legislation."

On March 10th your chairman was invited to chairman and preside at the Governor's Consumer Information Conference held at Rickey's and attended by 200 persons. All Clubs in adjacent towns were contacted and many sent representatives as well as from PTA's, L.of W.Voters and A.A.U.W's groups.

As a result of the fatal accident last June in Daly City in which a middle-aged couple was killed by a drunken driver, letters were written to the Governor, Senators and Assembly men urging a law requirint compulsory blood test. The driver was arrested but refused to submit to a chemical test. Many editorials appeared in all our papers, but our legislators refused to pass such a bill.

Women have influence and so on March 12, a Compulsory bloodtest was unanimously adopted at the Loma Prieta District meeting and re-affirmed at the District Convention on April 10 - Santa Cruz. Copies of thie resolution were sent to the six members of the State Resolution Committee and copies of the N.Y. Vehicle Code #1194. We procured as well as factual material from Nat'l Safety Council, the Calif. State Automobile Assoc., Calif. Hiway Patrol, Research section - facts.

Facts 1) California leads all states in the nation in hiwy fatalities. In 1960, 3,723 persons killed, and countless numbers injured for life.

2) Even with inadequate laws, drinking drivers represented 37% of the code - violating drivers.

3) The Commonwalth club has urged tightening of laws to conform with New York States Vehicle Code.

4) As of July 1, 1961, there were 34 states into chemical test laws (Nat'l Safety Council Report).

5) According to Calif. Hiwy Patrol Research Dept. 20.7% of all death and injury traffic accidents in 1961 involved drivers who had been drinking and 33% of all fatal accidents involved a drinking driver.

It is to be hoped that our Women at State Convention in San Diego, May 6th - will give their whole hearted support. A resolution is worthless unless it is followed by ACTION! Senators and Assembly men all over California must be contacted and made to know that the Women of California want this bill passed and the slaughter on our highways curbed!

This resolution, we believe to be our most noteworthy contribution of our years work.

Respectfully submitted,

Nellie M. Broderson, Chairman Civic Affairs and Legislation

THE COMMUNITY IMPROVEMENT PROGRAM - Mrs. H. H. Stannard, Chairman

The Half Century Club of the YWCA was our project this year. They are the elderly ladies of the YWCA. I attended the meeting and provided transportation with my car and was pleased to do so. This group met twice a week. Had lectures on a course of studies from the Adult education. There is a lot of work to be done in this project. Last June the Drama Section of our Club raised money for them by having a benefit play. It was greatly appreciated. This year we donated $100.00.

PUBLICITY - Mrs. W. R. Gray, Chairman

Eighteen stories about the Woman's Club of Palo Alto meetings were submitted to the Society Editor of the Palo Alto Times for publication. Many of the stories were briefed or deleted but in all cases featured entertainers with comments and program descriptions were written. All chairmen and hostesses for each meeting were named in the submitted stories. Clippings of club activities have been added to our president's scrap book.

Your publicity chairman attended the Publicity Clinic conducted by the Palo Alto Times in Sept. 1961, to which publicity chairman from over 600 organizations served by the Palo Alto Times, were invited. Because the Times is the major newspaper in five cities and since the area of coverage has broadened through the years; I quote-- "the woman's pages no longer concentrate on the society and club news but offer a variety of material of interest to the homemaker, club woman, career girl, bridge player, Girl Scouts, PTA Units, and fashion trends and foods." The Clinic was instructive as well as informative and was the first of annual clinics the Palo Alto Times expects to conduct in order to foster better public relations. Thank you Mrs. Kesterson, for the priviledge of serving with you.

Annual Report of the Tea Chairmen for 1961-1962

We had the following functions which were well attended.

- Reception - opening meeting
- Guest Night Dinner
- Two luncheons paid by the members
- Special dessert - May 6
- The usual teas for meetings

The committes were planned to give all members an opportunity to work and get acquainted. New members were on each committee.

The members asked to pour were those that have served the club over the years but do not wish to take responsibilities as in the past. This extends them a courtesy, also shows them we appreciate them. The past presidents served for special occasions.

The committee lists were made out for the chairmenin order to avoid duplication and unnecessary phoning. Officers, chairmen and members serving in other ways were not called so as to give the members an opportunity to be a part of the club functions. This has been satisfactory but is a little more work.

The tea chairmanship was devided, one doing the committee lists and the other taking care of the foods etc. We were available to assist at all functions.

$380 was alloted for the year. A complete report of the expenses will be filed with the Treasurer, Finance Chairman and the Tea Committee report.

A third chairman could handle the reservations also assist the other chairman.

Madam President & Members:

We have welcomed 18 new members since last May, maintaining our closed membership of 350 throughout the year.

I would like to thank all the members of my committee for helping to make the teas a success. And a special thanks to my co-chairman Mrs. Whitworth, for graciously giving of her time to accompany me when calling on new members.

WOMAN'S CLUB OF PALO ALTO

COORDINATOR'S REPORT

Annual Meeting - May 2, 1962

Agnes Von Berckefeldt
Coordinator 1961 - 1962

Shortly after I was appointed to be the Coordinator for the Palo Alto Junior Women's Club, I attended a workshop conducted by the District Coordinator. Frankly, I was quite amazed at the sheaf of information presented to all the club coordinators, especially the "A to Z" responsibilities, that, you know, is 26 responsibilities. During my ten years as a Junior, I realized that our Coordinator was taken quite for granted. However, armed with all of my notes I endeavored to follow in her footsteps and fulfill my duties.

This past year has been one of the most important and most interesting in my Federation experience. As a Junior, it just came naturally to go along with the aims and achievements of my club, but as a Coordinator from the Senior club, sitting on the outside looking in, even I was amazed at the tremendous accomplishments, endless activities and boundless enthusiasm of these young women. I must admit, that at times, I was satisfied to be just an observer.

As Coordinator, I have attended the monthly executive board meetings of the Junior club and also their regular monthly membership meetings. At each of these, the agenda included a report from the Coordinator which time was used to report on the activities of the Senior club.

It was my privilege to be Chairman of the Day at the Junior - Senior tea presented in April. I am now looking forward to the Founder's Day meeting on May 16, when I will join the Juniors in their presentation of a musical program.

Junior District meetings have been an integral part of my role as Coordinator. Four district meetings (San Francisco, Santa Cruz, San Jose and Sunnyvale) and District convention in Vallejo have been attended. At each, all Coordinators present attended workshops planned just for them or participated in informal discussions. At the recent District onvention, I was very glad to still be in Federation, as I was privileged to be the installing officer. Next week, I will also install the new Palo Alto officers.

One topic, in particular, during the past year has been stressed in all workshops, that is, Junior - Senior relations. It is my belief that Palo Alto Juniors and Seniors have, in many instances, developed a good relationship. To name a few: the many courtesies extended to both Presidents by both clubs, the availability of the clubhouse to the Juniors, support of each others Ways and Means projects (in particular, the Junior support of the Senior fashion show and the Senior support of the Junior rummage sale), the two teas (the Senior - Junior and the Junior - Senior tea), and the program to be presented next month by the Juniors. However, I was sorry to discover that other clubs in the District surpassed us, and consequently the coveted Eleanor Arnold award for Junior - Senior relations was won by our neighboring club - Menlo-Atherton. Before my year closes, I should like to present to the new executive board suggestions for their consideration which I'm certain will result in the Palo Alto Juniors proudly bringing home the trophy for the best Senior - Junior relations in the District.

One important event will close my year as Coordinator, namely, the Junior State Convention at the Jack Tar Hotel in San Francisco. Again events are scheduled especially for Coordinators.

To attend all of the numerous functions with the Juniors has been an education and a privilege. Many have been possible only because these young women have included in a very close budget, funds to cover Coordinator expenses.

My thanks to you, my Senior club, for accepting my transfer from Juniors to Seniors, for the many courtesies afforded me, and for giving me the honor of serving as the Coordinator to the Juniors.

PENNY PINES PLANTATION

Regional Forester, U.S. Forest Service
630 Sansome Street
San Francisco 11, California

Date March 9, 1962

Dear Sir:

We wish to participate in financing the reforestation of an area in the national forests of California for the purpose of advancing conservation and to assist in the improvement of the national forests.

We understand that upon a contribution of $68.00 or more to cover a part of the cost, the Forest Service will establish a plantation of approximately ten acres (actual size dependent upon the area involved and amount of contribution) or will add an equivalent acreage to an existing plantation on a national forest in California.

The Forest Service will provide the usual protection from fire, insects, and other hazards, just as is done for other national-forest areas. The Forest Service will also mark the plantation with a standard Forest Service sign. We desire the name of our group, as sponsor, to appear on the sign as follows:

THE WOMAN'S CLUB OF PALO ALTO

The plantation is to be the property of the people of the United States as a part of the national forest where it is located.

It is understood that the contribution of not less than $68.00 is to be mailed to Regional Fiscal Agent, U. S. Forest Service, 630 Sansome Street, San Francisco 11, California by remittance made payable to **FOREST SERVICE, U.S.D.A.** Such contribution is for deposit to the Cooperative Work Fund, Forest Service (Act of June 30, 1914, 16 U.S.C. 498) and is to remain available, until expended, to pay a share of planting costs - including signing of plantations - on national forest land.

It is understood also that no member or Delegate to Congress, or Resident Commissioner, shall have any share or part in this agreement, or to any benefit that may arise therefrom.

Very truly yours,

WOMAN'S CLUB OF PALO ALTO - - - 1958-1959

Another year covering the period from June 1, 1958 to May 30, 1959 has passed into history. The President, Mrs. Marion M. Thomas assisted by her staff of officers and the Executive Board and her standing and special committees, the various sections and the contributing work of the members of the Woman's Club of Palo Alto, have made this year another memorable and productive one, ever keeping before it the purposes for which the club was organized -- "For Self-improvement, Fellowship and Community Work".

An amendment to the by-laws adopted during 1957-1958 made it possible for the new officers to enter upon the duties of 1958-1959 immediately after their installation in May.

At the first board meeting on June 1, 1958 the Finance Committee Chairman, Mrs. Olive Thompson presented the budget which was approved by the board. By the first meeting on June 3 all committee chairman, section chairman and chairman of special events had been appointed and with the budget for the new year approved, the club was ready to look forward to a busy, happy, well organized year.

During the summer months, the House and Grounds Committee, Mrs. George Casaday, Chairman, was able to accomplish the necessary housekeeping by the time the club activities were begun again after the holidays. During this time, the dining room was painted, a beautiful mirror placed over the mantel, new firescreens were purchased for both fireplaces. New castors were put on the grand piano and also on the roll-away stage. The entire outside of the building was painted. The board room was entirely re-furnished. Later in the year the steps to the stage was carpeted, a tarpaulin was laid over the entire stage and the silver coffee urn and a tea pot were mended and re-silvered.

By September, Mrs. G. L. Weiler, had the programs for the year planned. At each meeting an enjoyable entertainment was provided for and enjoyed by the club members and their guests.

Mrs. L. E. Nathanson, General Chairman of the Tea Committee, followed the suggestion of the President that every member be given the privilege and opportunity to serve on one tea committee. This plan was carried out and early in September the tea committee gave a tea benefit card party to help defray its expenses during the year. A beautifully decorated tea table loaded with cakes and goodies has been enjoyed at each meeting with no great burden to any one person or group. $448.15 made —
at last [illegible]

The second special event was the Rummage Sale, Mrs. David Neilson, Chairman. Altho Palo Alto is pretty well "rummaged out", never-the-less, enough rummage was collected to make the project worth while, and the workers had fun during the sale. The proceeds were $343.54.

In lieu of the fall fashion show, Mrs. Harry Kesterson headed a "Silent Auction" which was both a social and financial success. During the social hour preceeding the auction, bids were made by numbers (instead of names) for the many lovely gifts which had been donated. After enjoying the entertainment and tea, a bell was run and the members and their friends returned to claim their gifts, if theirs had been the highest bid. The proceeds were $142.02.

The Valentine Party which is the special project of the Bridge Club was the next event. Mrs. Pauline Thompson was Chairman and this was another beautiful party. One hundred sixty-eight members and friends attended and the net returns were $158.70.

The "Merchants Fair" was headed by Mrs. Willowise Monroe. This year the exhibits were especially beautifully arranged. Entertainment was provided continuously throughout the day. The whole project was a success from the lectures and motion pictures, through the beautiful fashion show, which the exhibiting merchants put on to show their merchandise. Refreshments were served throughout the day by the "Party Givers". All funds are not yet in, but to date the proceeds are $750.00. This fair was splendidly attended and enjoyed by everyone.

The Spring Fashion Show with Mrs. Philip Rowan, Chairman, was declared the "best ever". Rita on Ramona was the exhibitor. All tickets were sold by the committee, and $288.01 was deposited in our Scholarship Fund. For this an award for our scholarship effort was presented at the Loma Prieta annual meeting in April. Two, one hundred dollar scholarships were given to two (2) Palo Alto High School girls.

One more event is planned for the year. This is to be a play put on by the Drama and Art Sections on May 28 with Mrs. Leslie H. Lutz, Chairman. More about this party later.

The regular sections have met once a month and each meeting has been well attended by its members. The club members have been invited to attend their special meetings when a splendid program has been provided by the Section, and always delicious refreshments and coffee have been served.

The Bridge Section has invited friends and club members to each of their meetings and an average of twelve (12) tables have attended.

The Art Section of 50 members has been an outstanding group. This section was under the leadership of Mrs. Willowise Monroe. Interesting and instruction meetings were planned for each month. Among which was a tour of the de Young Museum in San Francisco, to visit the Van Gough exhibit. Two tours to the Oakland Museum and two tours to the de Sasseset Gallery in Santa Clara, and a visit to the Stanford Art Gallery were enjoyed. At the monthly meeting, book reviews and lectures on noted painters and artists were given. An exhibit of pictures painted by our own members was enjoyed by the entire club. The members donated thru the Art Section 100% to the Penny Art Project, and the Art Club members donated $40.00 of their membership fee to the State Art Scholarship.

At the State Convention in Fresno, an AWARD OF MERIT was given to our Art Section Chairman for her outstanding leadership and the work accomplished by her section. For this outstanding work the club is the recepient of a beautiful copy of the painting Copa de Ora by Jean Swigett.

The Dram Section meetings were always interesting and instruction. Thanks to its Chairman, Mrs. H. H. Stannard. Two original plays, by its own members, were presented to the section, and a repeat performance of "The Eiffel Tower", author, Mrs. Thomas Jackson, was given when the Senior Club entertained the Juniors. At other meetings, play reviews and readings and original poems by our own prize-winning member, Mrs. Leslie H. Lutz, were always enjoyed.

The Book Section headed by Mrs. Charles Fisher, evolved itself into a Library Section and provided a special cultural meeting on the first Monday of each month in the down-town Library. These meetings were open to the public and were well attended. The courses were varied, interesting and instructive. They included book reviews, talks on current books, a lecture on Alaska, one on the "Dead Sea Scrolls" and "Painting as a Past-time". Seventy-five (75) outstanding good books were donated by the section to the down-town Library.

Music & Choral Mrs. Harry Cox Chairman, Music; Mrs. Marie Ruhlman, Choral Co-Chairman

The Choral Section, always a favorite, is not only a pleasure to its members, but has provided much pleasure to our whole club. This year it provided two outstanding programs, besides music for our Christmas party and the Juniors tea. Mrs. Larmour and Mrs. Spencer have led the singing at each of our regular meetings.

The Club has not neglected one of the important reasons for which it was founded, namely; to take an active interest in community and civic affairs.

Our first achievement was to complete the matter of putting the question of retaining our down-town library, as a branch library, and a cultural center, on the ballot.

Mrs. Howard Humphrey attended many meetings
and Mrs. Marion Thomas " all meetings of the Council

When the City Council knew that it had to either retain the down-town Library or put the question to the vote of the people, it called a special meeting, August 25, at which a motion was made by Councilwoman, Mrs. Corcoran, "that the down-town Library be retained and renoved and used as a branch library and for other cultural purposes, until such time as the City would see fit to build another "down-town" Library which would be as good a building and have space for as many uses as the old Library had."

This was agreed as satisfactory to our committee -- the motion was carried by the Council. $26,000.00 was voted by the Council to renovate the building.

Our second Public Relations program was held in November at our Club House when we sponsored the "Goodwill Doll Fair" -- November 22 and 23. Four hundred dolls were classified, judged and displayed in our Club room. Eighty five dolls were sold and the remaining dolls were then returned to the Goodwill shop where they were on sale until Christmas Day. All the dolls were eventually sold. A very lovely "tea" was served during the Fair to our visitors.

The third Public Affairs Contact was headed by Mrs. Nellie Broderson, who spearheaded the publicity in regard to the maintenance of the 1-1/2 mile limit between our colleges and the liquor stores. This was brought to the attention of our own Club, the Loma Prieta District, the State Officers and the local churches, all of which groups have gone on record as opposing the changing of this law. Letters have also been sent to our State and County representatives.

Similar letters have been sent to our representatives in regard to establishing and keeping our public highways and freeways free from commerical advertising. We signed the Petition as put out by the General Federation in regard to this 100% and sent it to headquarters in Washington.

Our President, Mrs. Marion M. Thomas, has served on the Citizens Committee for our Foothill Park. She has attended all the meetings of the City Council and this committee and has worked on the publicity to put this project on the ballot for the approval of the citizens of Palo Alto.

The B ok Section headed by Mrs. Charles Fisher, evolved itself into a Library Section and provided a special cultural meeting on the first Monday of each month in the down-town Library. These meetings were open to the public and were well attended. The courses were varied, interesting and instructive. They included book reviews, talks on current books, a lecture on Alaska, one on the "Dead Sea Scrolls" and "Painting as a Past-time". The City of Palo Alto was given the opportunity of purchasing this lovely natural wooded valley of 1,194 acres. The citizens committee was formed to publicize the advantages of obtaining this natural reserve, and give the people of Palo Alto the true facts regarding the land and to have the question of its purchase decided by the vote of the people. This has been accomplished and the voters by a 61% majority voted to approve the purchase.

DONATIONS -- Besides the High School Scholarships, donations were made to the following organizations: Agnew, Hospital, Veteran's Haven, Red Cross, Cancer Drive, Viet Nam, Loma Prieta Nurses Scholarship, Tuberculosis Association, Heart Fund, March of Dimes and to the Palo Alto Historical Association.

This years history of our club could not be closed without special mention of the chairman of committees who have done much to keep the events and activities of the club going smoothly. To mention all the committee members would be to repeat the roster, for all who were able have given of their time and efforts to forward the clubs activities.

Mrs. Jack Bennet faithfully edited and issued a bulletin each month as a second reminder, to our members, of our coming events, and special meetings.

Mrs. H. H. Stannard and the membership committee have diligently endeavored to orientate all the new members into the activities of the club, by making calls upon them and inviting them to "teas" and "coffee hours".

The hospitality chairman, Mrs. C. H. Bowman and her committee have been present at all meetings to greet the members and their guests and to introduce the new members.

The publicity this year has been good. Mrs. W. H. Hamilton has had a notice in the Palo Alto Times for each of our meetings and special events. A good Scrapbook of newspapers items was sent to the District and to the State Convention.

The Veteran's Hospital canteen has been visited every week by Mrs. Ormsby and Mrs. Zschokke and their committee members. Refreshments have been donated to the canteen each week by the club and served by this committee.

Mrs. John F. Duckworth, Mrs. Padgett, and Miss Grace Paden continue their good work in the Red Cross, and stand by to take up any public health welfare that might be needed.

The work of the "Ways and Means" can be attested by the good financial standing of our Club. They have worked to maintain and provide the requirements of our budget for the year.

Mrs. Burr, the rental chairman, has done a splendid job in keeping the engagements of rentals posted and showing the club house to prospective renters and collecting the rents. The result of her work can be shown by the fact that $4160 has been collected this year.

Mr. Edward Wilson, our custodian, has been faithful in keeping our club house and grounds in good housekeeping condition. The constant changing of the arrangement of chairs and tables for the renters is no small task in itself and he has always graciously tried to carry out the wishes of the members and the renters.

This year has been made a very successful and happy one thru the efforts of all the chairman and their committees. A club is as good as the sum-total of all its individual members, and they have also contributed to its success, if it is only a word of praise or commendation to those who have done their best to do a job well.

HISTORY OF THE WOMAN'S CLUB OF PALO ALTO - 1957-1958

PRESIDENT: Mrs. Marion M. Thomas HISTORIAN: Mrs. Anthont W. Kriebel

Another club year, covering the period from June 1, 1957 to May 31, 1958, has passed into history. The president, Mrs. Marion M. Thomas, assisted by her staff of officers and executive board members, her standing and special committees, the various sections and every contributing member of the Woman's Club of Palo Alto made it a most memorable and productive year, keeping true to its motto "Sociability With A Purpose."

This administration adopted two projects for the year in addition to the regular program of activities and general maintenance. One was the continuing improvement of the clubhouse and grounds and the other was the civic responsibility of trying to save our downtown library from destruction. In this last effort, two petitions were circulated on which over 5000 signatures were obtained with a result that the matter will be put before the whole community for a vote.

For the first project, the women's powder room and the men's toilet room also the board or lounge room have been completely renovated, painted and carpeted. The storerrom was improved by new closets and shelves and a public address system was installed. The cost of these improvements was approximately $4000 and sufficient funds were raised to pay for them.

Income was received from dues paid by 280 old members and 26 new members who joined during the year.

Rentals amounted to $3565, almost twice the amount received the preceding year.

In August a Dessert Bridge was given to raise money for Teas. The amount raised was $160 and those not attending were asked to donate either $1.00 or cookies toward the Teas expense.

Two fashion shows were held, a very lovely one in the Fall by Rita on Ramona which netted about $200 and another in the Spring by D. Duane which netted $225. The Fashion Show committee also presented to the club fifty, light-grey cotton, hemstitched luncheon cloths.

The Rummage Sale in January netted about $330 and the Book Section Benefit featuring Kathleen Norris raised $79.

The Bridge Section's Marathon brought in about $134 and the Valentine Bridge in February netted about $176.

The Easter Fair was well received by the merhchants and added about $585.

The Annual Luncheon, a catered affair, held in May left a surplus of about $18 and the House and Garden Tour in the same month netted about $127 to be credited to the Scholarship Fund.

Careful budgeting by the Finance Committee plus the money raised by these special events add up to a financially successful year.

Two scholarships of $100 each were awarded to two Palo Alto High School girls to help them continue their musical education. Time and money ($190) was given to various charities: The Veterans Hospital, Red Cross, Heart Fund, March of Dimes, Tuberculosis Assoc., Cancer Society, Agnews State Hospital and Cerebral Palsy Society.

Many special services helped to make the year more pleasant for each member: the well-prepared Year Book and the new, postcard, monthly bulletin; newspaper punlicity and the telephone notices; the good work of the Hospitality and Amenities Committees and the keeping of the guest book and fees. Beautiful decorations were provided and refreshments served at 14 meetings.

The first meeting of the month was given to business of the Club but for the second meeting entertainment was furnished by: The Bel Arte Trio; Rose Marie Johnson, colorature soprano; Gail Porter, dramatist; Dr. Frederic Spiegelberg,"Living Religions of the World"; Dr. Alfred G. Fish, "Formose, Viet Nam and Nepal"; Carol Brumm, "The Book Theatre"; Thomas Lantos, "The Future of Educational Television". The Junior Women's Club furnished the program in February.

The Music Section sponsored three, Sunday afternoon concerts under the direction of Eugene Lawrence and in conjunction with the Drama Section provided entertainment for the Christmas Party. The Choral Group furnished the musical program for the last meeting in May.

Each of the sections, Book, Drama, Music and International Relations had interesting programs and teas at their regular meetings to which all club members and their friends were invited.

The Junior Women's Club had a busy year having as a theme "Insuring the Future Through Education and Youth." Their educational project was the scholarship award of $300 to a Cubberly High School student and their youth project was the assistance given to the Speech Therapy Department of the Palo Alto Unified School District. Again this year they received many awards for their accomplishments at the Pacifica District Convention.

The number of members on the roster as of May 7, 1958 was 300. Six members were lost during the year, three by death and three by resignation.

HISTORY OF THE WOMAN'S CLUB OF PALO ALTO - 1956-1957

PRESIDENT: Mrs. David Neilson HISTORIAN: Mrs. Anthony W. Kriebel

The 1956-1957 Club year, Mrs. David Neilson's second year as president, brought to successful completion an outstanding administrative program of improvement to bring the clubhouse, as nearly as possible, up to standards necessary to comply with fire-protection and sanitary laws.

A permanent House and Grounds Fund was established for continuing this work of replacement and improvement. The Fund was started in the first year of Mrs. Neilson's administration by cashing the Woman's Home Companion Award bond. Under the leadership of the Ways and Means Committee many special benefits were held to raise money for this Fund; such as the Christmas Bazaar, the Merchant's Easter Fair, bridge parties and the business meeting luncheons. Each section was asked to contribute by holding benefits of one type or another, and many of the members contributed donations and pledged amounts. During the two years, $6853.80 was raised for the Fund. Of this amount, $5909.30 was spent for improvements and a balance of $994.50 was designated to improve the powder room.

Special projects were financed by other groups; such as the covering of the seat pads at the front of the room by the Junior Woman's Club; footlights on the stage by the Drama Section; and the planting of silver dollar eucalyptus trees on the west property line by the Drama and Garden Sections.

Donations to various charities amounting to $491.51 were made by the Club during the year. A acholarship of $200.00 was voted to be given to a Palo Alto High School student. The use of the clubhouse was donated to the Retarded Children's Guild for their meetings and the Club also sponsored the collection of money for Parkinson Fund. Members of the Club donated of their time to the Veterans Hospital Canteen; two representatives spent two hours every Thursday in service there.

An honorary membership in the Save The Redwoods League was paid for by one of our members, Mrs. Ledyard Cogswell.

The Civic Affairs Committee studied, considered, and endorsed several issues pertaining to civic projects; bonds to be voted for a new County Juvenile Hall and a special wing for dependent and neglected children; removal of the jail farm from Milpitas to a more desirable site in the rehabilitation program for County prisioners; Senate Bill 666 banning billboards on scenic highways and freeways; enforcement of present laws against drunk driving and the enactment of new laws including heavy penalties. Requests and recommendations were also made by the committee for an ordinance outlawing pinball machines, and ordinance regulating the sale and possession of firearms and restriction of expenditure of public funds from the county budget for the Santa Clara County Fair Association. Mrs. Broderson was the outstanding member of this committee.

Money received from rentals of the clubhouse during the year amounted to $1984.67. $1573.00 was credited to the General Fund and $411.67 to the House and Grounds Fund.

This year all members were asked to pay $1.00 toward the Teas served at the second meeting of the month; sixty percent of the members complied and others donated food. The chairman, Mrs. William C. Haydon, managed so well that $33.33 was turned back into the General Fund.

The first meeting of each month was devoted to business, most of the time geing given to the work of revising our Articles of Incorporation and By-Laws. After revision of the Articles of Incorporation, the work of securing individual signatures of two-thirds of the membership was undertaken by Mrs. T. O. Dowdell. They were accepted by the State and its seal was placed on the new Articles of Incorporation. They were revised so that it will not be necessary to make further changes in the future. The revised By-Laws were also passed by the membership and are now in effect.

In order to curtail expenses this year, only three paid programs were presented. For the Annual Reception in September, Carole Rossi, soprano; Eugene Lawrence, baritone; were accompanied by Henry Holt at the piano. On Guest Night, October 17th, Alys Swan in the Play Review of "My Fair Lady" was presented. On March 20th, for the Reception of New Members, Emma Knox presented the Short Story Theatre "Victorian Omnibus." The other programs were presented by the Art and Music Sections, Drama and Choral Sections, International Relations Section, and by the Junior Women's Club.

The Special Events were both financially successful and entertaining. The Evening Bridge on Nov. 9th with Mrs. Martin Charles and Mrs. J. Austin Menaul in charge was well attended and netted $119.80. The Christms Baxaar on Dec. 4th and 5th under Mrs. Willawise Monroe's direction and with the full cooperation of all Section Chairmen and members carried a wonderful display of merchandise and netted $548.76. The Rummage Sale on Jan. 30-31 was also a huge success and netted $566.28; Mrs. Leonid Haminsky and Mrs. J. N. thompson were in charge. The Valentine Benefit Bridge-Dessert on Feb. 13 with Mrs. Leo Madlum and Mrs. T. W. E. Christmas as co-chairmen netted $134.40.

A high-light of the year, our annual Spring Fashion Show, presented by Ross Bros. with new fashions and T.W.A. with old fashions, was held in the Fellowship Hall of the Methodist Church in March. In charge were Mrs. George Bennioff, Mrs. David Williams and Mrs. S. F. Deal. Many fine door prizes were given and ticket sales netted $457.07.

The Merchant's Fair, on April 4th and 5th was a most colorful affair and featured an Amateur Show, arranged by Mrs. Martin Charles and Mrs. Harold Kay. About forty-five contestants participated and $100 was given in prizes. Everyone enjoyed this part of the Fair as well as the fashions shown on the models selected by Mrs. Hugo Helms. Mrs. Willawise Monroe was in charge of this event too and again was assisted by all Section Chairmen in the soliciting merchants for donations and displays. It was estimated that about one thousand people attended the show and the amount netted was $470.44. This amount was smaller than the year before, many merchants having donated the prizes to the Fashion Show felt unable to do so again.

The Drapery and Yardage Sale sponsored by the Drama Section on April 25th and 26th netted $52.30 and was arranged by Mrs. S. F. Deal and Mrs. Richard Kay.

This year, as an experiment, the Art, Book, Choral, Drama, and Music Sections were combined under the Fine Arts Section setting as a membership fee, $2.00, which entitled members to attend all programs. Sixty-five members signed up. All the programs were excellent, showing hours of thought and work, but, on many occasions the attendance was so discouraging that it was the opinion of the chairman, Mrs. Leslie Lutz, that more interest could be stimulated by returning to separate sections.

The Bridge, Garden and International Sections all enjoyed a full year fo interesting and enjoyable meetings.

The Junior Woman's Club had as their theme of the year, "Friendship" with seven golden links; Community Service, International Affairs, Americanism and Legislation, Culture, Personal Improvement, Husbands and Children, and their Sponsoring Club. The Juniors chalked up 13,719 hours of volunteer service and won three sweepstake trophies; for Operation G.I., Conservation of Natural Resources, and International Affairs; also, the six, first place awards and the one second place award received at the Pacifica District Junior Convention.

The Senior Club also won awards for the Community Achievement Contest and for the largest membership gain in the State. Thirty-six new members were admitted to the Club during the year. Each and every one of them is bringing new enthusiasm and new ideas into the Club. The membership at the close of the year was 299.

1955-56

HISTORY OF THE WOMAN'S CLUB OF PALO ALTO - 1955-1956

PRESIDENT: Mrs. David Neilson HISTORIAN: Mrs. Frank S. Johnson

The Club year of 1955-1956 under the leadership of Mrs. David Neilson will be one to be remembered for some time for the many outstanding things that were accomplished.

The year started with a reception for Club members with Mrs. Henry Broderson as the honored guest. Actually Mrs. Broderson's activities came to a climax the year before when she was chosen by the Woman's H ome Companion as the outstanding Club Woman of the United States for the year 1955. She received a trip to New York, a silver rosewood gavel, and for the Club a $1,000.00 U.S. Savings Bod. She appeared on Television and was honored in many ways.

Mrs. Broderson has been fighting for years to better the over-crowded Juvenal Detention Home and for a better jail. A new jaul will be realized in the near future. She was Co-chairman of the Civic Affairs Section for the Club during the year 1955-56. This Section with Mrs. Broderson's unending and faithful help has accomplished the following: many applications for liquor licenses within the City limits were protested and refused. A long hard fight against the sale of "obnoxious" comic books resulted in an ordinance prohibiting their display or sale; a war on the playing of obscene records on the air resulted in their cessation; pinball machines as gambling devices were opposed and barred in the unincorporated areas in the County and in many of the Cities. She carried the fight into San Mateo County, where she is now working with the Women's Clubs there. Also protested the spending of tax dollars on the County Fair for buildings for live stock until human needs were met; opposed the establishment of Pari-Mutual gambling at the fair and forced its submission to the voters, which resulted in such betting being banned at the Santa Clara County Fair.

This Section was responsible for the Club sending the Sears-Roebuck Community Contest and won honorable mention in the State Convention. 12,000 hours were spent by the members on various projects.

The House and Grounds Committee resulted in a very strong and active group. A complete survey of the Club house was made by this committee to determine the most needed repairs to the building as a whole. A $5,000.00 improvement fund was passed by the membership for carrying out these improvements. Every member of the Club was asked to contribute $10.00 toward this fund. To date the Club house has been improved by a new sink in the kitchen; many new fire regulations had to be met; new electrical wiring was required; new drapes on the stage; new drapes in the auditorium and the painting of the auditorium and foyer was accomplished. Other projects yet to be done are: the Men's room, powder room, board room and kitchen.

Miss Aimee M. Peters represented the Club on the Representative Citizens' Library Action Committee. All recommendations made by this committee were well received by the City Council and they voted to recommend the placing of a $700,000.00 Library bond issue on the June ballot as a separate item. This bond issue passed.

The rentals for the year amounted to $2,007.00.

Mrs. Robert H. Seibert, Vice-President, and Program Chairman, presented programs of variety and interest to the Club. The Sections were also very active and helpful in giving many fine programs. The Junior Women's Club again enterta ned the Senior Club, which resulted in a very fine afternoon's entertainment.

The Ways and Means Committee, with Mrs. Albert D. Bonell as Chairman, gave a Merchants display on March 1st and 2nd, involving 72 exhibitors and sponsors. The total given to the revolving fund was $1,009.24.

The Spring Fashion Show with Mrs. Frank S. Johnson as Chairman, and Mrs. G. L. Vanderhoeven, Co-chairman, was one of the largest in many years. It was given at the First Methodist Church in the Fellowship Hall so that more people could be accommodated. A profit of $400.00 was realized.

Another outstanding event was given by the Art Section with Mrs. Hugh Ramaciotti as Chairman of the day. This was an Oriental Silver Tea, at which time two Japanese students were honored. $100.00 was donated to the building fund.

The Membership Chairman reported 33 new members for the year.

It was a very busy year with all Committee Chairmen and Section Chairmen doing their best to give the President a year she will always remember with pleasure.

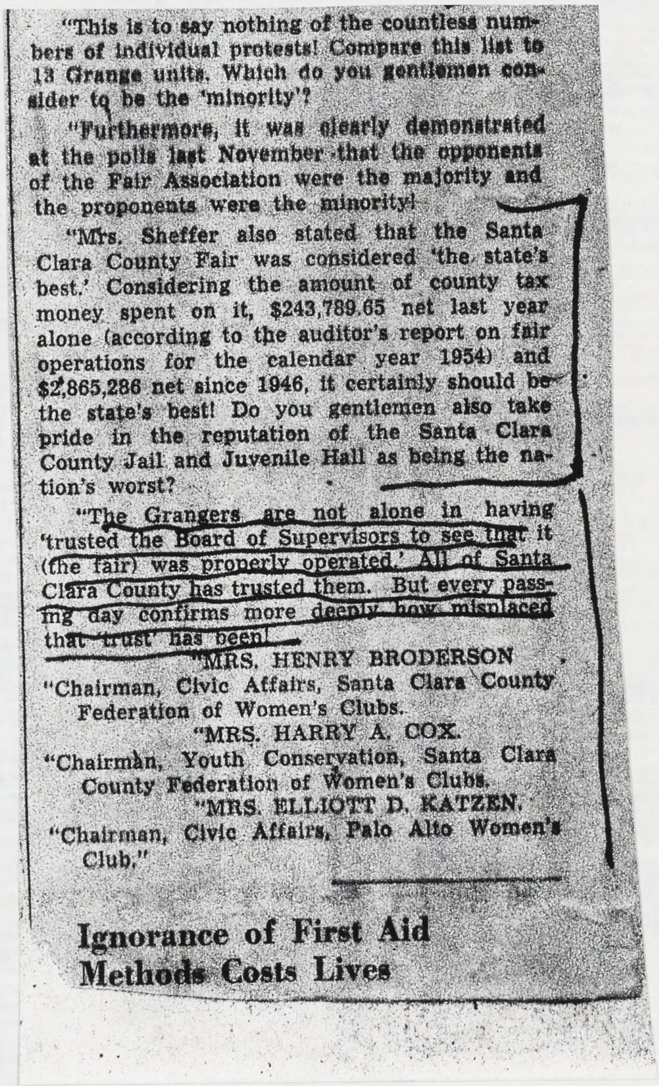
Organizations Listed Opposed to Fair Costs

Editor: We will appreciate it if you will publish the following letter which has been sent to the County Board of Supervisors and County Executive Frank H. Thill:

"Gentlemen: On Aug. 9, 1955 there was published an article headlined 'Santa Clara Fair Assn. Gets Grange Support.' The article quoted Mrs. Dwight Sheffer Sr. as warning the supervisors against being influenced by 'minority groups.' We are in complete accord with this portion of Mrs. Sheffer's remarks. However, we question her definition of 'minority.' To date, the following organizations have gone on record protesting the lavish fair budget:

"Santa Clara County Federation of Women's Clubs (12 clubs), Woman's Club of Palo Alto, Palo Alto Junior Women's Club, American Association of University Women, Los Altos Branch; American Association of University Women, Palo Alto Branch; Palo Alto League of Women Voters, Sixth District Parent-Tteachers Assn., Palo Alto Council of Churches, San Jose Council of Churches, Palo Alto Republican Assembly, Mountain View Democratic Club, Barron Park Democratic Club, Los Altos Democratic Club, South Palo Alto Democratic Club, Veterans of Foreign Wars, Post 4236 of San Jose.



"This is to say nothing of the countless numbers of individual protests! Compare this list to 13 Grange units. Which do you gentlemen consider to be the 'minority'?

"Furthermore, it was clearly demonstrated at the polls last November that the opponents of the Fair Association were the majority and the proponents were the minority!

"Mrs. Sheffer also stated that the Santa Clara County Fair was considered 'the state's best.' Considering the amount of county tax money spent on it, $243,789.65 net last year alone (according to the auditor's report on fair operations for the calendar year 1954) and $2,865,286 net since 1946, it certainly should be the state's best! Do you gentlemen also take pride in the reputation of the Santa Clara County Jail and Juvenile Hall as being the nation's worst?

"The Grangers are not alone in having 'trusted the Board of Supervisors to see that it (the fair) was properly operated.' All of Santa Clara County has trusted them. But every passing day confirms more deeply how misplaced that 'trust' has been!

"MRS. HENRY BRODERSON

"Chairman, Youth Conservation, Santa Clara County Federation of Women's Clubs.

Palo Alto Women's Club to honor Mrs. Broderson

Mrs. Henry J. Broderson, Palo Alto Woman's Club member who was named Clubwoman of the Year in a nationwide poll this spring, will be guest of honor when the Woman's Club of Palo Alto holds its annual reception Wednesday afternoon.

Highlight of the reception, which also will mark the opening of the group's new year, will be the presentation by Mrs. Broderson of a $1,000 Savings Bond. Mrs. Broderson won the bond for her club when she was recognized by Woman's Home Companion magazine for her leadership in the fight to improve conditions in the Santa Clara County jail and the Juvenile Detention Home.

In addition to the bond, Mrs. Broderson was given a trip to New York, where she was feted in a week-long program arranged by the magazine.

During her visit, she was commissioned by Mayor Clifford Simpson of Palo Alto to present to New York City's Mayor Robert Wagner a bowl made of California redwood and filled with fruit grown in Santa Clara County.

Wednesday's reception will be held at the clubhouse, 475 Homer Ave. beginning at 1 o'clock. Club members may take a guest.

A program of "Words and Music" by Gladys Steele and Carl Hague will follow.

Tea will be served by Mrs. Leo Madlem and Mrs. O. L. Olsen. Assisting them will be Mrs. Margaret Stewart, Mrs. Clifford House, Mrs. Harold W. Squires, Mrs. Oliver C. Davis, Mrs. J. Ashley Wilson, Mrs. J. N. Thompson, Mrs. Ernest B. Smalley, Mrs. Chris Rasmussen, Mrs. Henry A. Burr and Miss Wilma Cox.

Mrs. Margaret L. Thompson, Mrs. George D. Williams, Mrs. C. Hugo Helm and Mrs. David A. Williams will pour.

Mrs. E. F. Morey and Mrs. Leo M. Cook are in charge of decorations.

1954-55

HISTORY OF THE WOMAN'S CLUB OF PALO ALTO - 1954-1955

PRESIDENT: Mrs. J. E. Tuomy HISTORIAN; Mrs. L. H. Egeberg

The club year of 1954 and 1955 was under the capable leadership of Mrs. J. E. Tuomy.

The balance due on the Steinway Piano was liquidated through two benefits. One was in co-operation with the California Youth Symphony, and our share was $206.11. The Festival of the Table of Tableaux was presented on April 11 and 12, and more than paid the balance due.

The committee for Public Health, Welfare and Red Cross wrapped over 200 presents for the men stationed at Moffett Field.

The Junior Woman's Club made an all-out effort to help pass two bond issues. One was for a $5,000,000 school bond, and the other for a $4,000,000 hospital bond. Partly through the presentation of "Womanless Wedding" this group presented a mobile unit to the Palo Alto Junior Museum.

We have continued to urge prisoner rehabilitation, larger budgets for county institutions, and reorganization of the county fair management.

The Internation Relations Section sent boxes o food and clothing to their Korean "child".

A card party was given early in August to raise funds to purchase extra robes for the Choral Section.

Nine different and very interesting programs were presented through the efforts of the Program Committee. The Penny Art Division of the Juniors presented to their State President h r portrait done by the Division Chairman. The Vetera ns Hospital Service Committee carried on it's usual good program. The American Home and Garden Section, the Art Section, and the Book Section presented their usual fine programs and exhibitions.

We gave our annual rummage sale. The Bridge Section, Dramas, Music, and Choral Sections gabe many fine and varied affairs for our enjoyment.

We accepted 33 new members.

PLEDGE TO THE FLAG

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

●

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

A COLLECT FOR CLUB WOMEN

●

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

—Mary Stewart.

1953-54

HISTORY OF WOMAN'S CLUB OF PALO ALTO FOR 1953 - 1954

PRESIDENT: MRS. FRANK S. JOHNSON HISTORIAN: MRS. HAROLD W. SQUIRES

The club year of 1953 and 1954 under the leadership of Mrs. Frank S. Johnson was a most satisfactory one.

The club sections continued their earnest efforts to reduce the balance owing on the Steinway Piano purchased the preceding year. A series of benefits were given, starting with a Special Fashion Show in October, and at the end of the club year they totalled $1,211.76 leaving an unpaid balance of $1,333.50 as reported by Mrs. Albert D. Bonell, Piano Benefits Chairman.

Mrs. Frank D. Johnson conceived the idea of redecorating the foyer. Proceeds were raised by 30 members donating and serving a luncheon to a County Meeting in the Club House, a donation from the Craft Section, and the balance from the treasury. The Junior Woman's Club donated the new light fixture and paint for the walls was donated by Mrs. Roy Caler. New drapes were purchased and hung and a great improvement was made in the appearance of the old foyer.

Programs were varied and interesting during the year and included such prominent speakers as John K. Chapel.

In compliance with a request from the American Cancer Society, the Club was opened to the public March 31st for a program on cancer control which was well attended. Four prominent doctors gave lectures and answered questions.

Twenty-eight new members became affiliated with the club during the year.

At the final club meeting of the year among those present was Mrs. John W. Mitchell, a member of long standing, who joined the club when it was first inaugurated. She is an honorary member of the American Red Cross and within the week was expecting to celebrate her 99th Birthday.

Historian: 1953-54

Mrs. Harold W. Squires

Bonell will get prices on the other items. Mrs. Spitzer mad e ~~the~~ a motion which was seconded and passed, that the above items and supplies as listed by Mrs. Rauch be purchased at the ~~least~~ lowest possible price.

Mrs. Bonell announced that the total budget for the year will be approximately $ 5,333.50 - subject to the amount paid for taxes, and insurance, and Mr. Crandall's monthly statements. Mrs. MacIntyre made the motion that the figures of the budget as presented by Mrs. Kayser be adopted, with figures for Janitor, Taxes, and Insurance inserted as the bills arise. The motion was seconded and passed. The budget will be presented to the membership at the General meeting on October 1st.

Mrs. Caler presented a bill for $ 140.00 from the A.B.C. Cleaning Company. The above amount covers the washing of the kitchen walls and ceiling, and the cleaning, waxing, and polishing floors in all the rooms of the Clubhouse with the exception of the kitchen. The Board moved, seconded and passed that this bill be paid.

Mrs. Caler read a letter from Palo Alto Little League Baseball, Inc., asking us to make a contribution to said organization. Mrs. MacIntyre moved, and it was seconded and passed that the document be tabled.

Mrs. Bonell read a note of appreciation from Mrs. James V. Power, thanking us for the loan of 50 card tables and 200 chairs. Mrs. Bonell also read a note from Mrs. C.H. Barnard, who thank~~ing~~ed the Club members for the beautiful azalea which she received on the occasion of her96th birthday. A note from Mrs. Hannibal requested $ 10.00 for Choral music and a space in the Clubhouse for storing Club Choral music. The $ 10.00 has already been budgeted for Choral music, and a suitable place will be found inthe Clubhouse for storing music not in current use.

The following members of the Woman's Club of Palo Alto attended the County Federation meeting in Gilroy on September 26th : Mrs. A.D. Bonell, Mrs. Harold Kay, Mrs. Clement Arnold, Mrs. Harry Larmour, Mrs. Henry Broderson, Mrs. Willa Wise Monroe, and Mrs. T.O. Dowdell. The County Federation project for the current year will be a card party to be held on November 21st at 1 P.M. The suggestion was made that the party be held at Hart's in San Jose. Mrs. Willa Wise Monroe is General Chairman of the project. Tickets will be $ 1.00 each. Twelve Santa Clara County Woman's Clubs will participate in this event which will be the only

County project of the year.

Mrs. Clement H. Arnold, Junior Woman's Club Advisor, reported that the Juniors have had their first meeting for the current year, and are firmly launched on an enthusiastic program for 1952 - 1953.

Mrs. J.H. Gray, Jr., President of the Junior Woman's Club, thanked the Board for inviting her to stand in the reception line on the afternoon of the annual reception. Mrs. Gray announced that our Juniors Club is the only Junior Club in the State that had an organized program to present at the State Civil Defence Conference in San Francisco. Mrs. Elliott Katzen, one of our own Juniors, is both State and District Chairman of Civil Defence. Mrs. Gray read the twelve points in the Civil Defence Contest for Juniors. The Palo Alto Juniors hope to get name tags for each child in the Palo Alto district, and she asks the cooperation of the Seniors on this project. Mrs. Gray also told us that the Juniors have won two Josephine Seamon awards for the greatest community achievement, and the Junior Club wishes permission to hang these awards in the dining room of the Clubhouse. Mrs. MacIntyre made the motion, which was seconded and passed, that such permission be given to the Juniors.

Mrs. Bonell extended an invitation to the members of the Junior Woman's Club to attend the course in Parliamentary Procedure which will begin on Thursday, Oct. 16th and will continue each Thursday from 10 to 11 A.M. for a ten week period.

~~Mrs. Helm received an application for membership from Mrs. Elsa Lathrop, a new resident of Palo Alto who would like to transfer from a non-federated Club to the Woman's Club of Palo Alto. The above request cannot be granted. Mrs. Lathrop knows no one in the local Club who might sponsor or co-sponsor her. Mrs. Bonell suggested that Mrs. Helm and two other Club members call on Mrs. Lathrop, and perhaps from such a call sponsorship will follow.~~

Mrs. Paul Culbertson, a member in good standing who resigned from the Woman's Club in July of 1951, desires to rejoin the Club and wishes to know if she must again pay the $ 10.00 initiation fee, or what the financial procedure of re-entry will be. 1951-52

HISTORY OF WOMAN'S CLUB OF PALO ALTO - 1951 - 1952

PRESIDENT: Mrs. Alfred K. Spielberger HISTORIAN: Mrs. L. M. Van Loh

The Club year of 1951 and 1952, under the leadership of Mrs. Alfred K. Spielberger, as President, was a very constructive and eventful one.

The Woman's Club at this time was fifty-eight years old and had a membership of three hundred and four, which included the thirty-four new members for the stated year.

It was the desire of this regime' to find a place for each of its members and thus the workshop plan was developed. The Tea Chairman detailed her work so as to enable each and every member to serve in some capacity. A coffee hour at 1:00 P.M. followed by the meetings, was inaugurated in this year. Each section of the Club offered one program from its group, during the year so as to stress the "workshop idea". Change is the life of any organization. Consequently the printing and issuing of a monthly bulletin to each member was begun in 1951.

A "By-Law Committee" revised the obsolete rules of the Club in order that we could secure the most democratic procedure.

A "Student-Loan Scholarship Fund" was begun during this colorful year. Mrs. George Benioff contributed the first one hundred dollars to this project. When this Loan reaches five hundred dollars in its amount, the Club will be in a position to aid a student. At this time the Loan consisted of one-hundred and thirty-four dollars.

A Circulating Library was introduced under the efforts of the Book Section and its Chairman, Mrs. Warren Bishop. Its eighteen members paid for the total cost of the books, thus entitling each member to obtain a book every two weeks. At the end of the yeat these 18 books were donated to the Club, as a nucleus for a library.

The year's work of the International Relations Section opened with a fine tribute to G.I.'s, who served in Korea from the Woman's Club of Paris, France. One of the forty beautiful French dolls sent to the members of the 1950 Good Will Federation tour, was presented to Sergeant Linekar's five year old daughter, Susan. The Sergeant was selected, by the Palo Alto Chapter of the Red Cross for distinguised service in Korea and complied with the desires of the French women to show their appreciation of American assistance during their period of re-habilitation and stress the unity of the countries, now fighting together for Freedom.

A big piece of work was the "Care - For - Korea Benefit", which helped make California second in the Union with $16,973.80; our closest rival, Texas $16,726.72. Our contribution as a Club of $500.00 was spent for food and warm blankets; 35 boxes of food at $10.00 a box; and 14 boxes of blankets at $15.00 a box. This project created a "oneness" among our Club and City, which fulfilled the need for destritute Korean people.

Under the willingnexx and efforts of Mrs. Warren Cook, a new section in 1951 was added to the Club, known as "Craft's Section." During this first year, carved card boxes, jewel boxes, book ends were designed; lamp shades were created. The Club was the recipient of one of the lamp shades for the "Board of Directors' room".

The Choral group, consisting of twelve members, sang for the Santa Clara County Federation of Women's Clubs, at Los Gatos and many times for our own meetings.

For many years our Club has been of service to the Veterans Hospital. Each Thursday afternoon a few of our members have made a social afternoon for the patients. The Christmas of 1950, under the leadership of Mrs. L. M. Cook, a Christmas Party for Ward 8-B was provided. Ninety-five dollars wasdonated by our Club members for this project. Decorated Christmas trees, 13 decks of cards, 47 bags of candy, $65.00

worth of magazine subscriptions; and $15.00 worth of books were given to this ward for Christmas.

Mrs. Howard Swig made a record book of invaluable reminders for new officers and board members. This was the first time such helps were recorded.

Mrs. Harold Kay was responsible for bringing to the Club house an exhibit of beautiful paints, created by California doctors.

The California Physicians' Art Association displayed one hundred and twenty-five paintings on the walls of the Club House for a period of one week. This was made possible though the friendship of Mrs. Harold Kay and Dr. Francis H. Redewill, who was the founder of the National Physicians' Art Association. At the end of this exhibit Dr. Redewill presented the Woman's Club of Palo Alt one of his most cherished paintings - "A storm at Point Lobos." It is one of the largest and most beautiful paintings in our Club House. This Art Association has displayed their pictures in Chicago, Atlantic City and New York.

The Junior and Senior Women's Clubs were drawn closer together by two special events; a participation and exhibition folk dance, featuring the Stanford Hoedowners, honoring the Juniors; the Juniors entertained the Seniors with an excellent talent peogram and exhibition of crafts and skills.

The colorful year was brought to a climax by a Founders' Day Luncheon at which the new officers were installed by Mrs. Edward D. Kohlstedt. The theme of the ceremony stressed the strength of the unbroken circle of friendship and of accomplishment. The presenting of each new officer with an Orchid Lei, flown from the Islands, was symbolic of the theme.

May 28, 1952

Board Meeting December 1, 1952

A meeting of the Officers and members of the Executive Board of the Woman's Club of Palo Alto was held at the Clubhouse December 1, 1952 at 10 A.M. with Mrs. Albert D. Bonell presiding.

The minutes of the meeting of November 3rd were read, and approved with corrections.

The Treasurer, Mrs. Roy T. Caler reported a cash balance, November 30, 1952, of $ 1,249.89. Total bonds $ 2,000, Scholarship Loan Fund $ 187.00.

The Corresponding Secretary, Mrs. Robert L. Richards, read the following correspondence : -

A request from the Peninsula Christmas Committee for Hospitalized Veterans. Said request was turned over to Mrs. O.L. Olsen, Chairman of the Public Health and Welfare Committee.

A note from Carolyn N. Smiley, Business Manager of the World Youth Magazine, thanking us for our subscription, and informing us that our yearly subscription to World Youth Magazine would go to a teacher in Germany.

Mrs. Joseph McGilvray made the motion, which was seconded and passed, that we give Mr. Crandall $ 10.00, and Mrs. Crandall $ 5.00 for Christmas.

Miss Phyllis Ullman, Bulletin Chairman, will resign after the December Bulletin goes to press. Mrs. Bonell asked Mrs. J. Stuart MacIntyre to replace Miss Ullman as Bulletin Chairman.

Mrs. C. Hugo Helm, Membership Chairman, presented the name of one applicant for membership : - Mrs. Robert H. Seibert of 1555 Walnut Drive. Mrs. Seibert is a transfer from the Lakewood Woman's Club, Lakewood, Ohio.

Mrs. Harold Kay made the motion, which was seconded and passed, that Mrs.Seibert be accepted into Club membership..

HISTORY OF WOMAN'S CLUB OF PALO ALTO - 1952-1953

PRESIDENT: Mrs. Albert T. Bonell HISTORIAN: Mrs. L. M. Van Loh

The club year of 1952 and 1953 under the leadership of Mrs. Albert T. Bonell was a year never to be forgotten as the club purchased a Steinway grand piano. The community was in need of a good instrument for recitals and entertainments. The Club was in need of added income which could be derived from rental of the auditorium plus enjoyment of good music.

The original price of the piano was $3939.75 which included tax and insurance. A thousand dollar bond amounting to &930.40, a cash payment of $800.00 made a down payment of $1730.40. The balance, $2209.35, was to be paid during a period of three years. The cash raised for the piano fund was obtained by a silver tea, food sales, bridge luncheons, garden parties, a musical and donations from different sections of the club.

The old original grand piano was placed on the floor of the auditorium near the stage and the new instrument adorned the platform.

One thing lead to another, a new fire screen, new drapes, new electrical fixtures were placed in the dining room after the walls were redecorated.

The bridge section of the club had made sufficient money while sponsoring a series of bridge lessons for both its members and the public so they were able to purchase a "Dishmaster" for the kitchen.

Each section of the club donated their surplus accounts to the piano fund. The sections gave six programs; Art, Crafts, Music, International Relations, Book and Garden.

The Book section organized a book pool consisting of ten members. The books from the previous year were placed in the clubhouse and rented out at 5¢ per week to Book Section members.

The Club accepted into its membership 32 members of which 23 were new members, 8 transfers and 1 reinstatement.

The Craft's Section had been offered to the Club members in 1951-52. This section had a dressmaking class which was a nucleus for a fashion show modeled by its designers. This group also entertained the club at an evening party and provided many prizes to the delight of the guests. They were able to make a cash donation to the piano fund.

Feb. 27, 1953

Dear Mrs. Borell and
members of the Womans' Club of Palo Alto,

At the request of Mrs. Borell, a committee consisting of Mrs. Larrowe, Marshall, Lutz, Burch, and Hannibal, met to investigate the piano situation at the Womans' Club House.

(1) Two expert piano men were invited to look at the two piano's at the Club.

It was found that both pianos were in excellent condition, the Somerset Baby Grand, and the Kurtzman upright, that nothing was mechanically wrong with either, the tone was good, and that there were years of good use still in them.

(2) The only fault was that the Somerset Baby Grand was too small for the size of the Auditorium, and that if we went in for piano' concerts, recitals, then a larger piano would be desirable.

(3) If a larger piano were put on the stage, it was suggested that the Somerset Grand, be plased on the floor in front of the stage.

④ If a new piano should be purchased, the Somerset Grand could be used for dances. A new Grand should never be used for Jazz or Dance music. It was suggested that a new piano should be kept locked when the Club room was used for dances or variety programs.

⑤ It was found that a new Steinway 6 ft 11 inch in ebony would cost $\$4500^{00}$ plus 3% state tax. This figure might be lowered a little because of the purchase being made by a Club.

⑥ The new Basendorfer, a Venetian piano with Adolph Baller as agent, runs about $\$3000^{00}$. This is a beautiful piano and compares favorably with the Steinway.

⑦ There are available many used Grand pianos, Steinway's or others without the Steinway name but good makes such as Sohmer, Weber, Steck, Kurtzman, which are about ½ the price of a Steinway.

Yours very sincerely,
Irma S. Hannibal
Chrm.

May 20, 1953 -

Report of the Piano Committee -

This committee consisted of Mrs. Marshall, Lutz, Buck, Larmour, and Hannibal.

The last report told of the condition of the pianos in the Club House. These pianos are both very good, but the Somerset Grand is inadequate for the size of the room which is approximately 50 x 100 ft. without the stage.

It had been voted that a new piano be purchased, and also the down payment had been voted on - that is that half the bonds were to be used.

Nevertheless, we found that many used pianos were brought to our attention, which were all investigated. All seemed to have the same price $2000.00, without the bench. Then it would be necessary to spend more money for tuning, restoring, and shipping. The numbers in these pianos were all checked and all found to be extremely old.

The new pianos fell into three which were considered -

1 - Bösendorfer
2 - Baldwin
3 - Steinway

1- The Bösendorfer recommended by Mr. Baller and others, was in two models, one a little too large, the other too small-

Prices — 6" 7" $\$3700$ for $\$3350^{00}$
7' 4" 4500 for $\$3850^{00}$

This is a 10% discount.

2. The Baldwin - very good piano - Style "7". Price $\$4253^{00}$ for $\$3750^{00}$

This is a 10% discount

3. The Steinway carried by Sherman + Clay -
B — 6 ft. 11 in. without bench. $4515.00
Bench. 38.00
4553.00

B- 337592- Ebony.

This was first offerred at 10% discount, then later Mr. Sherman telephoned Mrs. Borell and offerred it at $\$3750^{00}$ including the bench, a discount of almost 20%, This is at approximately cost. The reason is that in this way the piano is advertized.

As it has been left to the piano committee to choose this piano, I trust that you will all be as thrilled as we will be, when you see this piano on the stage, and that you will remember that, "A Thing of Beauty is a Joy Forever.

Respectfully submitted
Irma Hannibal - Chairman
